ARTICLE B – DEFINITIONS

1 DEFINITIONS

(a) **Net Credited Service**

Net Credited Service (NCS) means the “term of employment” (TOE) as set forth in the pension plan applicable to the employees covered by this Addendum. For employees covered under this Addendum, Net Credited Service and Length of Service are interchangeable.

(b) **Seniority**

Seniority shall be determined by the net credited service of the employees affected. When the affected employees have the same net credited service, seniority shall be determined by using the last four (4) digits of the employees' social security numbers, 0000 being the lowest seniority, and 9999 being the highest seniority.

(c) **Employee**

The term “employee(s)”, for the purpose of the terms of this Addendum, shall refer only to employees of the Company included within the bargaining unit as defined in this Addendum.

(d) **Regular Employees**

Regular employees are those whose employment is reasonably expected to continue for longer than twelve (12) months. A regular employee may be either full-time or part-time.

(e) **Temporary Employees**

A temporary employee is one who is engaged for a specific project or for a limited period with a definite understanding that employment will terminate upon completion of the project or at the end of the period. Temporary employment is expected to continue for not more than twelve (12) months. A temporary employee may be either full-time or part-time.

A temporary employee is not eligible to participate in Tuition Assistance, and the provisions of the following Article shall not apply to temporary employees:

- (1) Article J (Force Adjustment)

(f) **Term Employee**

A term employee is a regular employee who is engaged for a specific project or for a limited period of normally not less than one (1) year nor more than three (3) years with a definite understanding that employment may terminate on or before completion of the project or at the end of the period.

Article B - Definitions

ARTICLE C – UNION BUSINESS

- 1 The Union may designate members of the bargaining unit to serve as a union representative.
- 2 The Union will advise the Company, in writing, of the names of the union representatives. The Union will also notify the Company, in writing, of any change in the union representative's identity. This Paragraph shall not apply when the designated union representative is absent for any reason including vacation, illness, or on Company or Union business away from the site, whereupon only verbal notification will be necessary to indicate the affected union representative's replacement.
- 3 Union Representation
 - (a) At any meeting between a representative of the Company and an employee in which discipline (including warnings which are to be recorded in the personnel file, suspension, demotion or discharge for cause) is to be announced, a Union representative may be present if the employee so requests.
 - (b) At any investigatory interview between a representative of the Company and an employee, wherein discipline could occur based on the information obtained, a Union representative may be present if the employee so requests.
 - (c) If necessary, the meeting may be delayed for a reasonable amount of time not to exceed thirty (30) minutes to allow a union representative to participate by phone. The union representative will not be compensated for these meetings.
- 4 A union representative shall not be compensated by the Company while performing duties on behalf of the Union and shall perform such duties only during time when he or she is not scheduled to work for the Company, is on an unpaid break or during other non-working time.
- 5 Except as provided in this Paragraph, non-employee representatives of the Union may not enter the Company's premises.
 - (a) Authorized union representatives must fill out an AT&T Cable Station Visitor's Request Form which has to be submitted at least ten (10) days in advance of the visit date to enter the Company's premises for the sole purpose of attending scheduled meetings, including attending grievance hearings, with members of management.

NOTE: The AT&T Cable Station applies to all cable station visitors including vendors and AT&T employees who are not permanently located at that cable station, as listed in WebPhone.

6 Bulletin Boards

The Company agrees that it will provide bulletin boards to be used solely by the Union at each location, except at locations in buildings not owned by the Company where the landlord or owner objects. The size and location of such bulletin boards shall be subject to Company approval.

Material posted shall not contain anything of a controversial nature, anything derogatory to the Company or employees or anything that will detrimentally affect Company operations. If the Company objects to any posted material, the Union shall remove objectionable material immediately.

7 Union Activity on Company Premises

The Union, or employees acting as its officers or agents, may conduct Union activities, including solicitation of members and distribution of Union literature, on Company premises with notification to local management. Solicitation shall be permitted on Company premises when both the employees performing the solicitation and the employees to whom the solicitation is directed are on non- work time (such as lunch periods, relief periods and before or after an employee's work time). Distribution of Union literature may take place only in areas where no work is performed and on the employee's non-work time. Union activities shall not be conducted in a manner that will interfere with the operations of the business or with Company facilities.

8 Union Orientation for New Employees

The Company and the Union agree that the Union will have the opportunity to meet with newly hired employees as part of the overall orientation process for the purpose of furnishing them with information about the Union. The Union's segment of this process will be limited to a maximum of sixty (60) minutes. Time spent during the basic scheduled work period for such new employee will be paid as time worked. In addition, the Company also agrees to introduce employees transferring into a different work group to the local Union representative assigned to that area.

9 Payment for Joint Union - Management Activities

If attendance at any meeting or the performance of any Union activity is at the Company's request, the time involved shall be excused with pay at the standard rate, subject to the following provisions:

- (a) The meeting pertains to matters relating to employees of the Company represented by the Communications Workers of America.
- (b) Paid time is limited to the actual meeting time, and will be paid at the standard rate, not to exceed eight (8) hours of pay.
- (c) Under no circumstance, will an overtime rate be paid to employees as a result of attending a meeting with management or performing Union activities under this Section.

ARTICLE D – GRIEVANCE PROCEDURE

- 1 The Company and the Union agree that grievances shall be confined to differences arising out of the interpretation or application of the terms or provisions of this Addendum, or disciplinary action for just cause and shall be processed according to the grievance procedure set forth in this Article. It shall be the objective of both the Company and the Union to settle any grievance promptly and at the lowest step of the grievance procedure.

All grievances shall be reduced to writing, setting forth, if applicable, specifically the substance of the grievance and the provision or provisions of the Addendum allegedly violated, delivered by a Union representative to the management designee via email, facsimile or postmarked by the United States Postal Service. No grievance shall be considered, nor shall any appeal thereof be handled as a formal grievance, unless the grievance is requested in writing within sixty (60) calendar days of the action or failure to act which is the subject of the grievance.

- 2 The formal grievance procedure shall consist of two (2) successive steps. Notice of grievance and appeals of decision shall be forwarded in accordance with the following:

STEP 1

The management designee shall contact the Union representative within fourteen (14) workdays of receipt of written notice of the grievance for the purpose of setting a mutually agreeable meeting date and location unless either party elects to participate by telephone. The management designee will provide a decision in writing within fourteen (14) workdays after completion of the meeting(s) unless mutually agreed otherwise by the parties.

If the Company fails to offer a meeting date which is within fourteen (14) calendar days of receipt of the written notice of the grievance and no mutual agreement has been reached by the parties to extend the timeframe, the grievance may be advanced to the second step at the Union's option.

STEP 2

If the answer or decision of the Company at the conclusion of the Step 1 is unsatisfactory to the Union, the grievance may be appealed to the designated Labor Relations representative, in writing, within thirty (30) workdays after a decision has been rendered at the first step. The designated Labor Relations representative shall contact the Telecommunications and Technologies (T&T) Union Staff within thirty (30) workdays of receipt of written notice of the grievance for the purpose of setting a mutually agreeable meeting date. All grievances will be conducted by telephone. The designated Labor Relations representative will provide a decision in writing within fourteen (14) workdays after completion of the meeting(s), unless mutually agreed otherwise by the parties.

If the Company fails to offer a meeting date which is within thirty (30) calendar days of receipt of the appeal to the second step of the grievance process and no mutual agreement has been reached by the parties to extend the timeframe, the grievance may be advanced to the arbitration process. This option is applicable only to the provisions of such articles in this Addendum that are subject to the arbitration process.

- 3 A decision at Step 2 of the formal grievance procedure, as set forth in Paragraph 2 above shall be construed as full completion of the formal grievance procedure.

- 4 After a notice, as set forth in Paragraph 2 above, has been received by the Company neither the Company nor the Union will attempt to adjust the grievance with any employee or employees involved. Any proposed adjustment will be presented by the Company to the designated Union representative.
- 5 The Company will keep the Union fully informed, in writing, on a current basis, of the designated Labor Relations representative referenced in Paragraphs 2 and 3 above.
- 6 Accordingly neither party will recess a grievance at Steps 1 or 2 in excess of sixty (60) calendar days. If the grievance meeting is not reconvened within sixty (60) calendar days from the initial recess date, the grievance shall be considered denied. The Union may then appeal the grievance in accordance with the time limits set forth herein.
- 7 Failure to submit or pursue a grievance under the conditions and within the time and manner stated in Paragraph 2 above shall be construed to be a waiver by the employee and the Union of the formal grievance.
- 8 Any provision in this Article to the contrary notwithstanding, no forms of discipline, including suspension and discharge, of employees with less than thirty (30) days of service with the Company shall be subject to the grievance procedure.
- 9 All complaints and prospective grievances may be taken up informally by either the Company or the Union in advance of the formal grievance steps set forth below. Nothing in this Article shall be construed to deprive any employee or group of employees from presenting individually to the Company any complaint, and to have such complaints adjusted without the intervention of the Union, as long as the adjustment is not inconsistent with the terms of this Addendum, and provided further that a Union representative has been given opportunity to be present at such adjustment.

10 Number of Representatives and Pay Treatment

Other than Management representatives, the number of employees (including the aggrieved employee and the designated representative(s) of the Union) shall be limited to two (2) at all steps of the grievance procedure. One (1) representative who is an AT&T employee, designated by the Union, shall be paid for scheduled time consumed during the grievance meetings. At Step 2, at least one (1) of the Union representatives will be a fully authorized representative of the Telecommunications and Technologies (T&T) Union.

ARTICLE E – ARBITRATION

- 1 It is agreed by both parties that arbitration shall be confined to matters processed through all steps of the formal grievance procedure, and in such event, the following procedures shall be exclusive.
- 2 If the answer or decision of the Labor Relation's representative at the conclusion of Step 2 of the formal grievance procedure, as described in Article D, is unsatisfactory to the Union, the Union shall, in writing, to the designated Labor Relations representative, within thirty (30) calendar days thereafter, request arbitration, if such is desired.
- 3 Any matter submitted to arbitration shall be heard and determined by a single impartial arbitrator mutually selected by the Union and the Company.

The parties shall agree to a List composed of eleven (11) arbitrators from which a single arbitrator will be selected. Arbitrators may be removed from the List by written notice from either party to the other. Replacement of an arbitrator removed from the List (either by death of the arbitrator or in accordance with this subparagraph) shall be by mutual agreement of the parties.

- (a) The parties may either agree upon one (1) arbitrator from the List or beginning with the Party that claimed the grievance to arbitration alternately strike arbitrators' names until one (1) remains. If no arbitrator is selected by the parties within sixty (60) days of the Union's written notification that it elects to arbitrate a case as specified in paragraph 2, or if the arbitrator is not notified of the appointment within thirty (30) days of the selection, the arbitration case will be closed and the grievance shall not be arbitrable.

The compensation and expenses of the arbitrator and the general expenses of the arbitration will be borne by the Company and the Union in equal parts. Each party will bear the expense of its representatives and witnesses. Any expenses incurred because of any cancellation or postponement of a hearing will be borne by the party requesting such cancellation or postponement.

- 4 The arbitrator shall be confined to the subjects submitted for decision, and may not, as a part of any such decision, impose upon either party any obligation to arbitrate on any subjects that have not been herein agreed upon as subjects for arbitration. The arbitrator shall not have jurisdiction over the rights of Management not specifically restricted by this Addendum and shall not have the power to add to, subtract from, or vary the terms of this Addendum, or to substitute his/her discretion for that of Management, but shall be limited in power and jurisdiction to determine whether there has been a violation of this Addendum. The arbitrator's decision shall be final and binding upon both parties and any employees affected.
 - (a) In disciplinary cases, the arbitrator shall determine whether the discipline was for just cause.
 - (1) In the case of dismissal, the arbitrator shall have authority to mitigate or modify the discipline imposed and determine what, if any, remedy is appropriate. In no event, however, shall any retroactive pay treatment extend beyond six (6) months prior to the date of the filing of the appeal to arbitration. Any retroactive pay accorded shall be based on the employee's Adjusted Rate plus evening or night differential, if applicable, less any amount, other than wages, received from the Company, and any amount paid to or receivable by the employee as wages in other employment,

and as unemployment benefits under any present or future provision of law for the period of the retroactive pay treatment.

- (2) In case of suspension, the arbitrator shall have authority to mitigate or modify the discipline imposed and determine what, if any, remedy is appropriate. If the arbitrator awards back pay, the employee shall receive pay for time lost at the employee's Adjusted Rate plus any four differentials to which the employee would have been entitled if not suspended.
 - (3) In the case of demotion, the employee shall be compensated for all loss of wages due to the difference in the Adjusted Rates.
 - (4) Employees reinstated pursuant to this Article who have previously submitted an authorization for payroll deduction of union dues or union dues equivalency shall have such amount deducted from any back pay award.
- 5 Except where otherwise mutually agreed, failure to submit a matter to arbitration within the times above stated or failure to pursue subsequent steps within the time and in the manner above stated shall constitute a waiver by the employee and the Union of the right to arbitration.
 - 6 Upon receipt of a reasonable period of advance notice, the Company shall allow reasonable time off without pay for Grievant and/or Union witnesses to prepare for arbitration.
 - 7 Any provision in this Article to the contrary notwithstanding, no form of discipline, including suspension and discharge, of employees with less than twelve (12) months of service shall be subject to arbitration.
 - 8 All arbitration cases will be heard in Bedminster, New Jersey or Washington, DC unless mutually agreed otherwise.

An employee who is required to be absent for one (1) day or more because of a death in the employee's immediate family shall be excused for such day or days, but not to exceed three (3) scheduled regular tours or their equivalent, with pay. Immediate family means parents, grandparents, husband or wife (including legally recognized partner (LRP)), children, grandchildren, brothers or sisters, mother-in-law, father-in-law, brother-in-law, or sister-in-law. The provisions of this Paragraph shall also be applicable in the event of the death of a relative or very close friend living in the same household with the employee.

(g) Accidental Injury

If an employee is injured in the course of his or her employment and it is necessary for the employee to cease work during an assigned tour, payment for that tour shall be at the rate in effect during the time worked.

ARTICLE I – PAID TIME OFF

1 Holidays

AT&T gives eligible employees covered by this Addendum six (6) paid holidays each calendar year.

Holidays are not considered time worked and do not count toward the calculation of overtime pay.

(a) Observance of Holidays

The six (6) paid holidays for the eligible employees in the U.S. Virgin Islands are designated by AT&T as follows:

Company-Designated Holiday	Date Observed
New Year's Day	January 1
Memorial Day	Last Monday in May
Independence Day	July 4
Labor Day	1st Monday in September
Thanksgiving Day	4th Thursday in November
Christmas Day	December 25

(b) Holiday Compensation for Employees Shall be as Follows:

Full-time employees who are excused from work on the day a holiday is observed shall be paid a holiday allowance equal to one fifth (1/5) of their Adjusted Rate, including any tour differential to which the employees would have been eligible had they not been excused.

(c) Full-time employees who work on the day a holiday is observed shall be paid, in addition to the holiday allowance, at one and one-half (1 1/2) times the Hourly Adjusted Rate for time worked during their Scheduled Daily Tours. Hours worked outside the Scheduled Daily Tour shall be compensated at the Double Time and One Half of their Adjusted Rate.

(d) Holiday Compensation for Part-Time Employees Shall be as Follows:

- (1) A part-time employee shall be paid a holiday allowance equal to one fifth (1/5) of that employee's "equivalent work week classification."
- (2) A part-time employee who works on a holiday shall be paid time and one half (1 ½) for all time worked in addition to the holiday allowance referenced above in 1(d)(1).

(e) Any employee who is absent and unexcused on the scheduled work day before and after the holiday shall not be paid the holiday allowance.

(f) An employee who is scheduled for work on a holiday but who fails to report for work and is not excused shall receive no payment for the holiday.

Article I – Paid Time Off

2 **Personal Days**

- (a) All employees are eligible for seven (7) personal days in a calendar year after their date of hire and they will be eligible in accordance with the schedule below:

Eligibility:

<u>Date of Hire</u>	<u>Personal Days</u>
January 1 - June 30	7
July 1 - September 30	5
October 1 - November 30	3

- 3 All days off as provided in this Article shall be selected in accordance with Paragraph 5 of this Article. Employees may be permitted to take their Personal Days in two (2) hour increments. All pay for Personal Days shall be at the employee's adjusted rate of pay.

4 **Vacation**

Eligibility

- (a) Effective January 1, 2016, employees with six (6) or more months of continuous service since the date of the employee's most recent engagement shall be eligible to accrue annual vacations as follows:

- (1) One (1) week of vacation after the completion of a term of employment of six (6) months.
- (2) Two (2) weeks of vacation after the completion of a term of employment of twelve (12) months. When terms of employment of six (6) and twelve (12) months are both completed in the same calendar year, employees shall be eligible to accrue a maximum of two (2) weeks of vacation during that year.
- (3) Two (2) weeks during each calendar year after the year in which a term of employment of twelve (12) months is completed.
- (4) Three (3) weeks beginning with the calendar year in which a term of employment of seven (7) years is completed.
- (5) Four (4) weeks beginning with the calendar year in which a term of employment of fifteen (15) years is completed.
- (6) Five (5) weeks beginning with the calendar year in which a term of employment of twenty-five (25) years is completed.

NOTE: After employees reach their initial six (6) months of net credited service, vacation days are accrued proportionately during the calendar year.

5 **Vacation Selection**

- (a) Vacations shall be selected in a work group on a seniority basis. Periods available for selection shall take into consideration the needs of the Company, force requirements, and the desires of the employees. Reasonable effort should be made by management to make available the maximum number of vacation weeks during the most desirable

vacation periods. Advance selection of vacation periods shall commence on or after November 1 and shall conclude no later than December 31 of the year preceding the year in which such vacation leave is to be taken.

- (b) Employees must first express preference for full weeks of vacation on a seniority basis within the work group.
 - (c) Employees will then express preference for day-at-a-time usage, also on a seniority basis within the work group. The employees may select day-at-a-time vacation days as provided in Paragraph 4 above.
 - (d) Any employee may select up to one (1) week of vacation on a day-at-a-time basis during the vacation selection process described in Paragraph 5 of this Article. Any employee, if eligible for three (3) or more weeks of vacation, may elect to take up to two (2) weeks of vacation on a day-at-a-time basis during the vacation selection process described in Paragraph 5 of this Article. Individual vacation days may be taken in half-day increments.
 - (e) Subject to the needs of the business and force requirements, employees may reschedule any of their vacation, whether assigned by the Company or selected by the employee, to available vacation periods, but may not preempt the period selected by any other employee.
 - (f) Employees shall not be permitted to exchange seniority rights in the selection of vacation periods.
- 6 Employees who are normally scheduled to work more than nineteen (19) but less than forty (40) hours per week will earn pro-rated vacation and personal day pay based on their “average equivalent workweek”. The “equivalent workweek” will be determined by dividing the employee’s total hours worked per month by 4.35, rounding the result to the next higher whole number. The “average equivalent workweek” will be determined by the average over the past six (6) months.

7 Paid in Lieu of Vacation

- (a) In the event of an employee’s separation (for other than misconduct) before using all the vacation which the employee has accrued under Paragraph 4(a), an amount equivalent to such unused accrued vacation shall be paid to the employee.
- (b) To determine the number of “accrued” current year vacation hours for employees who have completed at least six (6) months of service and who are eligible as noted in Paragraph 4 (Eligibility), see the chart below:

Article I – Paid Time Off

In the event of an employee's layoff, death or retirement with a Service Pension, before using all the vacation which the employee is eligible to receive under Paragraph 4 (Eligibility), an amount equivalent to such unused vacation, as though it was granted based on the number of years net credited service and not based on the accrual language, shall be paid to the employee or his/her beneficiary or estate.

ARTICLE J – FORCE ADJUSTMENT

1 Force Adjustment

Whenever the Company decides to implement a force adjustment that could result in a surplus and layoff of regular employees, the Company shall notify the Union in writing. The surplus employees designated for layoff will be notified a minimum of four (4) weeks prior to the layoff date, unless otherwise provided by law. In order to relieve a surplus the Company may offer employees the opportunity to voluntarily resign and receive a severance payment as provided in Paragraph 2 below.

Prior to any regular employee being laid off pursuant to this Addendum, temporary and term employees in the same job in the same title shall be work completed.

Layoffs of employees covered by this Addendum shall be by inverse order of seniority by group.

For employees covered by this Addendum, the Company may in its discretion identify up to ten percent (10%) of the total employees in the same job title within the same Organization that it will exempt from layoff regardless of seniority. Under no circumstances however will the employer not be allowed to exempt at least one (1) employee to be protected from layoff. An individual may only be protected two (2) times during the life of this Addendum.

2 Layoff Allowance

Regular employees who are laid off will be paid a layoff allowance based on their Completed Years of Net Credited Service and their Adjusted Rate in effect at the time of the layoff, in accordance with the following:

COMPLETED YEARS OF NET CREDITED SERVICE	LAYOFF ALLOWANCE
6 months but less than 1 year	2 Weeks of pay
1 year but less than 4 years	4 Weeks of pay
4 years but less than 8	8 Weeks of pay
8 years but less than 10	12 Weeks of pay
10 years but less than 12	16 Weeks of pay
12 years but less than 14	20 Weeks of pay
14 years but less than 16	24 Weeks of pay
16 years but less than 18	28 Weeks of pay
18 years but less than 20	32 Weeks of pay
20 years or more	36 Weeks of pay

3 Workforce Rearrangement

In the event the Company determines a rearrangement of the Cable Station workforce becomes necessary, the Company will advise the Union representative prior to notification of the employees. Insofar as the needs of the business and the individual abilities of the employees permit, the Company will solicit volunteers to participate in a workforce rearrangement. If the Company determines that the needs of the business are not well served by the list of volunteers, then an involuntary rearrangement will result. The Company will consider inverse seniority as a factor in its decision to rearrange the workforce. Determination of the “needs of the business and the abilities of the employees” rests solely with management. The Company will endeavor to notify affected employees fourteen (14) days prior to the effective date of their reassignment. The Company may choose to offer a relocation incentive.

4 Priority Rehire

Employees with satisfactory attendance and work performance histories who apply for the same position they were laid off from will receive priority consideration over new applicants for twenty-four (24) months from his/her layoff date.

ARTICLE K – NO STRIKE/NO LOCKOUT

- (a) During the life of this Addendum, the Union agrees that it will not call, encourage or condone any strike, slow down or work stoppage against the Company.
- (b) The Company agrees that there will be no lockout of employees covered by this Addendum during the duration of this Addendum.
- (c) The Company and the Union agree that in the event of any work stoppage or delay and/or failure to reach a new collective bargaining agreement for employees covered by this Addendum the Union will not promote, support, encourage, or request a work stoppage in any other bargaining unit with employees of an AT&T company or in any way impact the other collective bargaining agreements and/or relationships between the Union and any other AT&T company.

The Company and the Union further agree that any work stoppage or delay and/or failure to reach a new collective bargaining agreement for any other AT&T bargaining unit will not result in a work stoppage between the Union and the Company for employees covered by this Addendum or in any way impact the collective bargaining agreement and/or relationship between the Union and the Company.

- (d) In the event of a work stoppage in any other AT&T bargaining unit that is an occupant in the same building as employees covered by this Addendum, the Company and the Union agree that a separate entrance will be established for the exclusive use of the employees in this Addendum.

ARTICLE L – MANAGEMENT RIGHTS

Except as specifically limited by provisions of this Addendum, the Company reserves and retains, solely and exclusively, and without recourse to negotiations, all rights, powers, and authority, to operate its business, which include the right to establish, modify and enforce personnel policies, work rules, and regulations and standards for employee performance, including attendance policies, safety policies and disciplinary policies; as well as the right to make and enter into decisions to do any of the foregoing provided, however, that these rights shall not be exercised in violation of any of the other terms and provisions of this Addendum.

ARTICLE M – SAFETY

Safety is of mutual concern to the Company and the Union. Together we recognize the need for a work environment in which safe operations can be achieved in accomplishing all phases of work, and the need to promote better understanding and acceptance of the principles of safety on the part of all employees to provide for their own safety and that of their fellow employees, customers and the general public.

The Company will encourage and support employee participation in safety awareness through the local safety committee.

ARTICLE N – DISCIPLINE

1 Warnings

A warned employee is one who receives a written warning that is to be recorded in their personnel file, which includes an indication of possible future consequences and may be considered as a basis for future disciplinary action.

2 Demotions

A demoted employee, for the purpose of this Addendum, is one who has been moved for disciplinary reasons, from one job title to another job title having a lower maximum weekly rate.

3 Suspensions

A suspended employee is one who has been denied work for disciplinary reasons for any period.

4 Dismissals

A dismissed employee is one whose service is terminated for any reason other than transfer, resignation, lay-off (or work completed for temporary or term employees), voluntary retirement or death.

5 In the event the Company warns, demotes, suspends, or dismisses any employee, the Union may appeal such action pursuant to the provisions of Article D (Grievance Procedure) of the Addendum.

6 A grievance appeal concerning a demotion, suspension, or dismissal of an employee who has twelve (12) months or more of net credited service may also be reviewed pursuant to the provisions of Article E (Arbitration) of the Addendum.

ARTICLE O – HOURS OF WORK

Work Schedules

The Company will determine and post the work schedules. Insofar as the needs of the business and the abilities of the employees permit, seniority will be the deciding factor when assigning work schedules. Determination of the “needs of the business and the abilities of the employees” rests solely with management. Employee’s scheduled work hours may start at any time of the day, on any day of the week and may be spread over any seven (7) days of the week. Work schedules will be posted for a minimum period of one (1) week and are subject to change, with forty-eight (48) hours’ notice to the employee. However, work schedules will not be posted for employees who normally work the same hours Monday through Friday.

ARTICLE P – CONTRACTING OUT

It is the Company's objective to consider carefully the interests of both the customer and employee along with all other considerations essential to the management of the business in a highly competitive and dynamic environment. While the Company believes it is in its best interests to utilize its own employees, the Company does use contractors, as it deems necessary in order to respond to a highly unpredictable marketplace. For various reasons where the needs of the business require the Company may subcontract bargaining unit work, provided it will not currently and directly cause layoffs of regular employees covered by this Addendum.

ARTICLE Q – NON-DISCRIMINATION

- 1 In a desire to restate their respective policies, neither the Company nor the Union shall unlawfully discriminate against any employee because of such employee's race, color, religion, national origin, sex, age, handicap, sexual orientation, gender identity, marital status, or status as a veteran, including creed, disability, and citizenship, or additional characteristics protected by applicable federal, state or local law.
- 2 The use of the masculine or feminine gender or any titles which connote gender in this Agreement shall be construed as including both genders and not as sex limitations unless the Agreement clearly requires a different construction.
- 3 It is mutually agreed that no discrimination shall be practiced by the Company or the Union against any employee because of membership or non-membership in the Union, or by the Company against any member or officer of the Union because of lawful activities on behalf of the Union.

Article 31 – Employees in Military Service or Active Duty for Training

Military Differential Pay is the excess of AT&T pay over military pay received by an eligible employee while on a Military Leave of Absence.

AT&T pay is an employee's Adjusted Rate (excluding overtime) in effect at the time the Military Leave of Absence begins. Night work differentials, seven-day coverage and transition payments (non-lump sum) are included. Military pay is an employee's military basic pay rate in effect when the Military Leave of Absence begins. All allowances and supplementary pay elements [i.e., BAS (Basic Allowance for Subsistence), BAQ (Basic Allowance for Quarters), Hazardous Duty Pay, Proficiency Pay, Special Duty Pay] are not included.

The Military Differential Pay shall be up to the limits prescribed in the following or the period of Military Service, whichever is shorter:

If the leave of absence and duration are...	And the date the leave begins the employee's net credited service is...	Then the duration of Military Differential Pay is...
Active Duty for Military Service (normally 2-5 years)	1 year or less	First 15 weeks
(See Note 3)	More than 1 year	First 26 weeks
Military Training Duty-normally 2 weeks (See Note 1)	No minimum	A maximum of 13 scheduled work days (including holidays) in each military fiscal year (October 1 - September 30)
Term Employee Military Training Duty (not to exceed 2 weeks)	No minimum	A maximum of 13 scheduled work days (including holidays) in each military fiscal year (October 1 - September 30)
Initial Active Duty for Training (at least 3 consecutive months but no more than 18 months)	No minimum	First 2 weeks (10 days)
Emergency Service	No minimum	A maximum of 13 scheduled work days (including holidays) in each calendar year (See Note 2)

Note 1: Includes attendance at schools for special military courses of instruction which may last several months.

Note 2: An absence for Emergency Service does not affect an employee's right or eligibility with respect to Military Training Duty, Initial Active Duty for Training, or Active Duty for Military Service. If the local emergency situation exceeds 13 scheduled workdays, pay treatment for additional time must be approved by the AT&T Pension Plan Administrator.

Article 31 – Employees in Military Service or Active Duty for Training

Note 3: Payment of Military Differential Pay, for up to the maximum durations described above, is limited to the time when an employee initially enters Active Duty for Military Service. The employee is not again eligible for the maximum payments, regardless of the number of times the employee enters Active Duty for Military Service.

Regular employees who volunteer for Military Training Duty (including attendance at schools for special military courses or instruction) or Emergency Service without receiving military pay, will be authorized time off but without AT&T pay or Military Differential Pay.

Upon furnishing official written documentation to his/her supervisor, a regular employee may be granted up to three (3) scheduled workdays off with pay to report for registration, testing and/or a physical examination for induction into Active Duty for Military Service or Initial Active Duty for Training.

- 4 An employee who receives a notice to report for Active Duty for Military Service or any Military Training Duty, shall immediately present such notice to his/her supervisor.

The Company may extend the duration of Military Differential, but when it does so, the Union will be notified at least two (2) work days prior to implementation.

SUCCESS SHARING PLAN*

Based on the Union and Company’s desire to have employees share in the success of AT&T Inc. (AT&T), the parties agree to a Success Sharing Plan (SSP). Eligible employees may receive annual lump sum cash payments based on AT&T stock price appreciation and AT&T dividend rate.

A. Plan Components

1. Success Units

Employees will be awarded 150 success units at the beginning of each award year (October 1, 2018, October 1, 2019, October 1, 2020 and October 1, 2021). Those success units will only be valid for that award year and will not carryover to the next award year. A success unit is only used as a multiplier in the payout calculation and is not a share of stock nor has any other value.

2. Determining Award Value

Award Year	Beginning Award Value	Ending Award Value
2019 (October 1, 2018 to September 30, 2019)	October 1, 2018 closing AT&T stock price	September 30, 2019 closing AT&T stock price
2020 (October 1, 2019 to September 30, 2020)	October 1, 2019 closing AT&T stock price	September 30, 2020 closing AT&T stock price
2021 (October 1, 2020 to September 30, 2021)	October 1, 2020 closing AT&T stock price	September 30, 2021 closing AT&T stock price
2022 (October 1, 2021 to September 30, 2022)	October 1, 2021 closing AT&T stock price	September 30, 2022 closing AT&T stock price

The stock price used in establishing the award value will be the closing AT&T stock price on the New York Stock Exchange.

The award value will be adjusted proportionally to reflect any stock split.

3. Determining Dividend Rate Value

The dividend rate value will be determined by adding each AT&T declared quarterly dividend during the Award Year (historically December, March, June, and September) and multiplying this total by 150 success units.

***Reprinted From 2018 AT&T CWA Agreement By and Between Certain Business Operating Units and Divisions of AT&T Corp**

4. Payout

Employees will receive a total award based on the difference between the ending award value and the beginning award value for the Award Year times 150 success units plus the dividend rate value. For example:

Stock Appreciation Value:

Beginning award value – October 1, 2018 closing AT&T stock price \$37.00

Ending award value – September 30, 2019 closing AT&T stock price \$42.00

Payout – $\$42 - \$37 = \$5 \times 150 \text{ success units} = \750.00

Dividend Rate Value:

December 2018 declared dividend \$.50

March 2019 declared dividend \$.50

June 2019 declared dividend \$.50

September 2019 declared dividend \$.50

Total Declared Dividend \$2.00

Dividend Rate Value - $\$2.00 \times 150 \text{ success units} = \300.00

Total Award

$\$750.00 \text{ stock appreciation value} + \$300.00 \text{ dividend rate value} = \$1,050.00$

The award payment will be made as soon as practicable after the award year and will normally occur the payday of the last full pay period in November.

B. Eligibility

Employees eligible for payments as described above are those regular, temporary and term employees who are on the payroll on both the beginning and ending dates of the Award Year and who works for a minimum of three (3) months within the Award Year in a position covered by this Collective Bargaining Agreement. Eligible employees who are on approved leaves of absence or short-term disability absence and meet the other eligibility requirements on the ending date of the Award Year shall receive a payment, provided they return to active duty on or before December 31 of the year in which the payment is made.

Payments to eligible employees who are receiving the Extended Compensation Option of the AT&T Option Program (ATTOP) on the ending date of an Award Year shall receive an Award prorated to 30% of the Award received by an eligible employee provided they meet the other eligibility requirements on the ending date of the Award Year.

An eligible employee who transfers between AT&T Companies participating in the SSP will be eligible to receive a payout under the terms of the SSP applicable to the employee's current bargaining unit at the time of a payout, so long as the combined service in both AT&T Companies satisfies the above eligibility provisions.

***Reprinted From 2018 AT&T CWA Agreement By and Between Certain Business Operating Units and Divisions of AT&T Corp.**

Success Sharing Plan

C. Part-Time Employees

Eligible regular part-time employees will receive prorated payments based on their part-time classification (or “part-time equivalent work week”) on the ending date of the Award Year.

D. Benefits Treatment

SSP payments will be recognized as eligible compensation under the following benefit plans:

- Medical
- Life Insurance
- Pension
- Savings Plan

E. Taxes, Personal Allotments

Payments are subject to state and local taxes, Federal Income Tax, Social Security Tax, Medicare Tax, and any state disability deductions at the time of payment. Union dues will be deducted at the same rate as they are deducted for wages. Employees with 401(k) pre-tax elections will not have State or Federal Income Taxes deducted from that portion.

Personal allotments such as United Way contributions will not be made.

F. Dispute Resolution

Company determination under this plan shall be final and binding. The Union may present grievances relating to matters covered by the SSP, but neither the plan nor its administration shall be subject to arbitration.

SUCCESSORSHIP*

The Company agrees that in any agreement to sell a portion of its assets in a transaction involving the transfer of Employees subject to the parties' 2018 Agreement, as a condition of the closing of such sale, that the Buyer shall agree to assume the terms of the 2018 Agreement, provided that the Buyer shall have the right to re-open the unexpired 2018 Agreement at any time after eighteen (18) months but no longer than twenty-four (24) months following the Closing of the sale, the re-opening of which the Union hereby agrees to accept or, the Buyer and Union may bargain at the expiration of the 2018 Agreement, whichever is earlier. In no event will the terms of this Successorship Agreement limit any of the Company's existing rights under the 2018 Agreement. The Company further agrees it will notify the Union at least thirty (30) days prior to the close of such proposed transaction and, during such thirty (30) day period, will meet with the Union upon request to engage in effects bargaining and to discuss the business reasons for the Company's decision.

In addition, if the Company sells a portion of its assets in a transaction that involves the transfer of Employees under this Agreement, the "watermark" numbers for employees in the bargaining unit, and if applicable the watermark set forth in Article 43, shall be reduced in an amount equivalent to the number of bargaining unit positions in the portion of the business transferred as part of the transaction, effective on the closing date of the transaction.

PARTIES' DEMANDS

All demands of either party not specifically covered or disposed of by this Memorandum of Agreement or otherwise addressed in writing signed by the parties during the course of 2018 bargaining are hereby waived for the term of this 2018 Addendum, all such demands having been thoroughly discussed during the collective bargaining negotiations which are, by the execution of this Addendum, concluded. Unless otherwise specifically agreed in writing, neither party shall be obligated to bargain collectively during the term of this Addendum with respect to modification of their provisions or with respect to the demands of either party that have been the subject of the negotiations hereby concluded.
