**ARTICLE 2
AUTHORIZED PAYROLL DEDUCTIONS**

2.01 **UNION DUES**

The Company agrees to honor assignments of wages for purposes of periodic dues and initiation fees given by any of its employees covered by this Agreement, and filed by the Union with the Company during the term of the Agreement, provided, however, that such assignment be in the following form.
PAYROLL DEDUCTION AUTHORIZATION FOR UNION DUES

Beginning in __________, _____
(Month) (Year)

I hereby authorize the ____________________________ to deduct each month from my salary or wages, sickness or accident disability payments, other benefit payments, or vacation payments the amount of my regular monthly Union dues as certified to the Company by the Secretary-Treasurer of the Communications Workers of America. Each amount so deducted shall be remitted by the Company to the Secretary-Treasurer of the Communications Workers of America or his duly authorized agent. If for any reason the Company fails to make a deduction, I authorize the Company to make such deductions in a subsequent payroll period. This authorization shall continue in effect until canceled by written notice from the Secretary-Treasurer of the Communications Workers of America, or until canceled by written notice given by me during the ten (10) day period prior to the date one (1) year from the effective date of the current Agreement between the Company and the Union, or during the ten (10) day period preceding each subsequent annual anniversary of such effective date.

(Date) (Signature of Employee)

2.02 Authorization for payroll deductions for Union dues under this Article may be revoked by the employee or by an authorized representative of the Union under the following conditions:

A. For those employees on the Dues Deduction Card (form 10-73) by written notice to the Company and the Union during the ten (10) day period prior to the date one (1) year from the effective date of the current Agreement between the Company and the Union, or during the ten (10) day period
preceding each subsequent annual anniversary of the effective date.

Revocation of any authorization shall be automatically effective the next succeeding payroll period after an employee covered herein is promoted, transferred or otherwise separated from the bargaining unit.

2.03 Payroll deductions for Union dues under this Article shall be made by deducting one-half (1/2) of the monthly deduction from each of the first two (2) pay periods ending in each calendar month, beginning with the first such pay period ending subsequent to the effective date of this Agreement, provided, however, no wage deduction shall be made as to any employee whose authorization is not filed with the Human Resources Department or such other Department as may be designated from time to time by the Company sufficiently in advance to be taken into account in preparing the then current payroll.

2.04 In the event an individual employee’s earnings after all deductions during the payroll period are not sufficient to cover the payroll deduction herein authorized for Union dues, such payroll deduction shall be suspended for that payroll period and automatically resumed when said employee’s earnings in either of the first two (2) payroll periods ending in any subsequent calendar month are sufficient to cover said deduction. Dues deductions shall be suspended during periods of leave of absence or layoff. When the employee is returned to the payroll, deduction of Union dues shall be resumed automatically.

2.05 The Company agrees to remit all such payroll deductions for Union dues to the Secretary-Treasurer of the International Union on a monthly basis at an address to be furnished in writing to the Company.

2.06 The Company shall furnish the Union a list of employees in the bargaining unit upon request. The Company will provide a dues authorization report and seniority report upon request. If an employee is transferred or promoted to a position outside the bargaining unit, the Company will discontinue, at that time, the deduction of Union dues.

2.07 CWA-COPE. The Company agrees to continue its present practice of voluntary payroll deductions for CWA-COPE and remit all such payroll deductions to the person and place designated in writing by the Union on a monthly basis. Payroll deductions shall
be made in equal amounts from twenty-four (24) biweekly pay periods each year.

a) Authorization for payroll deductions, on a form approved by the Company, may be changed or revoked by the employee at any time, to be effective the next succeeding payroll period after receipt by the Company.

b) The Union agrees to reimburse the Company a cost sufficient to recover expenses incurred in computer processing, voucher preparation, account reconciliation, file space and other overheads. This cost is currently estimated at five cents (5¢) per deduction. The Company retains the right to adjust the reimbursement rate to reflect changes in the expenses incurred.

2.08 The Union guarantees the genuineness of all signatures on all payroll deduction authorizations furnished to the Company hereunder.

2.09 The Union agrees to indemnify, defend and save harmless the Company from any and all loss or liability by reason of any amounts deducted and remitted to the Union under the provisions of this Article.

2.10 The Company will make every effort to invite the union to participate in new employee orientation.

2.11 The Company's obligations under this Section 2.01 as well as under any payroll deduction authorization form signed by any employee, regardless of its contents, shall not survive the expiration or termination of this Agreement (or the expiration or termination of any written extensions). The Company may, therefore, unilaterally and without negotiation, discontinue the payroll deductions until the parties have successfully negotiated a successor Agreement which includes a dues checkoff obligation.

ARTICLE 3
GRIEVANCE PROCEDURE

3.01 The word "grievance" as used in this Agreement means a complaint presented by the Union against the Company, the Company against the Union, by an employee or group of employees against the Company, in accordance with the grievance procedure, alleging failure to comply with some specific provision of this Agreement. If the Agreement expires and/or is
terminated, grievances may be processed through the grievance procedure outlined below but will not proceed to arbitration.

3.02 The Union agrees to maintain, during the term of this Agreement, authorized Shop Stewards and/or a Grievance Committee who are employees of the Company. The Union further agrees to promptly notify the Company, in writing, of their names, and from time to time, of any changes as they occur. Only those so authorized by the Union will be recognized as Union representatives by the Company.

3.03 Any individual employee or group of employees shall have the right to present to and adjust with the Company any grievance as provided in Section 9(a) of the National Labor Relations Act, as amended, provided, however, that the Union has been given an opportunity to be present at such adjustment.

3.04 Except as otherwise mutually agreed by the Company and Union, no grievance shall be entertained by the Company except in the following order and manner, and within the following time limits:

Step 1: INFORMAL STEP: The aggrieved employee and/or Steward shall within ten (10) calendar days from the occurrence of the facts giving rise to the grievance present the grievance orally to his/her immediate Supervisor, and they shall promptly attempt to resolve the complaint informally. The aggrieved employee and/or Steward shall notify the Supervisor that this is being considered Step 1 of the grievance procedure. The Supervisor will have up to ten (10) calendar days in which to respond.

Step 2: If the grievance is not resolved satisfactorily under Step 1 above, the aggrieved employee or the Union Representative shall reduce the grievance to writing, in duplicate, on a form provided by the Company, identifying the grievance, setting forth the facts giving rise to the grievance, including the Contract provision alleged to have been violated, and the remedy requested. The written grievance shall be presented by the Union Representative to his/her immediate Supervisor within ten (10) calendar days of the Company answer under Step 1 above. The immediate Supervisor shall forward the grievance to the next appropriate level of management or his/her representative or equivalent.

This level of management, his/her representative or equivalent, shall discuss the grievance and answer, adjust, or settle it with the appropriate Union President or his or her authorized
Step 3: If the grievance is not satisfactorily settled at Step 2 above, the International Representative or his/her authorized representative, may appeal and shall present the written grievance to the Company's designated Labor Relations representative, within thirty (30) calendar days after the Company's answer under Step 2. The Company's designated Labor Relations representative, shall discuss the grievance, and answer, adjust or settle it with the International Representative and/or Local President or his/her authorized representative, within thirty (30) calendar days, unless otherwise mutually agreed, after the appealed grievance is presented. Thereafter, the case will be considered closed unless notice to arbitrate under Article 4, ARBITRATION, Section 4.01, is presented.

3.05 Failure, by the Company Representative, to meet the time limits at any level of the grievance procedure below Step 3 shall constitute an automatic appeal to the next level. Failure, by the Union Representative, to meet the above time limits shall constitute rejection of the grievance.

3.06 All grievances relating to Article 30, PROMOTIONS AND JOB BIDDING, which challenges the selection of an employee, will remain at Step 3 until the Union shall designate the employee or employees whom it contends were erroneously selected instead of the designated aggrieved employee or employees.

3.07 All grievances shall be handled during working hours, and without loss of pay for scheduled work. No employee will be paid for time spent in traveling from one (1) district to another except for scheduled working hours for the Local President or his/her designated representative at Step 3. No employee will be paid for grievance procedures administered during non-scheduled working hours. The Company agrees to pay the Local President or his/her designated representative for time spent presenting and adjusting grievances with the Company at the final step. At no step of the grievance procedure will the Company pay more than three (3) employees at their regular straight-time rate of pay.

3.08 After a grievance has been presented by the Union, as opposed to one presented by an aggrieved employee under Section 3.03, representatives of the Company shall not discuss the grievance with the aggrieved employee or employees without affording the appropriate Union Representative an opportunity to be present.
3.09 A grievance initiated by the Company, the Union, or Local President, or Local Executive Vice President (on behalf of the Local) shall be commenced at the Step 3 level, as outlined hereinabove.

3.10 At the first two (2) steps of the grievance procedure, not more than three (3) representatives of the Union and more than three (3) representatives of the Company, shall be present. Only one (1) witness may be in the meeting at any one (1) time. At the final step of the grievance procedure, not more than three (3) employees who are representatives of the Union and not more than three (3) representatives of the Company shall be present. Only one (1) witness may be in the meeting at any one (1) time.

3.11 Grievance adjustments at all levels of the grievance procedure shall be final and binding, on all parties, provided the settlement is not a violation of this Agreement, but shall not be used as precedent by either party. However, at the final step of the grievance procedure, it shall be determined if said grievance is precedent setting.

3.12 The Union may reject a Company answer at any level of the grievance procedure. Any such rejection shall close the grievance without prejudice to the Union’s contentions regarding the merits of the grievance. While the rejected grievance may not be later reinstated, should the substance of that grievance become the basis of future disciplinary action or Contract interpretation, either party may present information regarding the merits of the rejected grievance in the context of the new grievance situation. In the event a rejected grievance is submitted as evidence at arbitration, the Arbitrator shall have no authority to award monetary relief or damages for the rejected grievance(s).

3.13 To expedite grievance management, meetings may be conducted via conference call upon mutual agreement.

ARTICLE 4
ARBITRATION

4.01 Only grievances involving the interpretation or violation of the express provisions of this Agreement shall be subject to arbitration. Any such grievance that cannot be satisfactorily settled in negotiation between the Company and the Union shall be submitted to an Arbiter for decision. Demand for arbitration during the term of the Agreement must be made in writing by the Union, and served on the designated Human Resource Representative within sixty (60) calendar days after the date of
the Company's statement of position at final step of the grievance procedure. All matters pertaining to wages are expressly excluded from arbitration.

4.02 The Union shall within 60 days after notification to the Company, submit a written request from The Federal Mediation and Conciliation Service (FMCS), for a panel of seven (7) members of the National Academy of Arbitrators with a simultaneous copy to the Company’s Labor Relations Manager. After receiving the list of arbitrators, and within 15 workdays of its receipt, both parties shall select an arbitrator by alternately striking from the list of seven names. The Union, as moving party, shall have the first strike. The last name remaining on the list after each party has exhausted its strikes shall become the arbitrator.

4.03 The Arbiter so appointed shall conduct a hearing and render his decision in writing with all reasonable promptness.

4.04 The decision of said Arbiter shall be final and binding upon the parties hereto on disputes that are the proper subject of arbitration hereunder.

4.05 Any Arbiter appointed hereunder shall be bound by all the terms of this Agreement and shall have no power or authority to change the Agreement in any particular, or to add to or take away from its terms, or to make a new Agreement for the parties.

4.06 The expense of the arbitrator as well as other joint expenses of conducting the arbitration shall be borne equally by the Union and the Company; however, each party shall bear the expenses of its own representative, of its own witnesses, and of preparing and presenting its own case. Either party shall have the right to request the presence of a court reporter to prepare a written transcript of evidence. The party that requested the court reporter shall pay for the expense. If the other party requests a copy of the transcript, then the expense shall be shared equally.

4.07 Employees losing time as a result of participation in proceedings under this Article shall be made whole by the party on whose behalf they appear.

4.08 The Company and the Union agree to the timely disposition of all arbitration cases and believe it is in the best interests of both parties to avoid delays in hearing cases. Any grievance arbitrated under this section the Company will under no circumstances be liable for back pay for no more than twelve (12) months less any earnings.

6.03 Severance pay may be paid to employees leaving the employment of the Company for other reasons, but no such severance pay will be paid to an employee dismissed for misconduct or who voluntarily quits.

**ARTICLE 7**

**SENIORITY**

7.01 Seniority for regular full-time employees is defined as the employee’s total continuous service with the Company calculated from his/her last date of employment.

7.02 Seniority for regular part-time employees is defined as the employee’s total continuous service with the Company calculated from his/her last date of employment and accrued on a pro rata basis commensurate with the normal scheduled hours as stated and agreed upon at the time of employment.
7.03 Former employees re-employed by the Company shall receive a seniority credit equal to the term of their prior employment, upon the completion of five (5) years of continuous service, computed from date of most recent re-employment. Such prior employment seniority credit shall be equal to all previous periods of continuous Company employment of greater than six (6) months’ duration. Except as otherwise provided in Section 7.05, employees who are transferred into the bargaining unit shall receive a seniority credit equal to the term of their prior employment upon the completion of five (5) years of continuous service computed from the date of transfer.

7.04 In the event of a reduction in force, the employee with the least seniority in an affected work group and job classification shall be the first employee laid off, provided there are senior employees available in the work group who are qualified and fit to perform available work. Any employee displaced by such layoff who is senior to an employee in his/her same wage scale or a lower job classification, and who is qualified to perform the work of such junior employee, may displace such employee. The bumping employee must have held the job title previously and have the skill and qualifications to perform the new job with a minimum of on-the-job training and familiarization (defined as 30 working days or less).

7.05 On recall, the Company shall offer eligible laid off employee(s) in order of seniority, the opportunity to fill vacancies. The employee(s) will be notified by certified letter, sent to the last address furnished to the Company by the employee, of the offer. A laid off employee who wishes to accept an offer of recall shall notify the Company of such intention immediately, but not later than ten (10) calendar days after the mailing of said letter. The senior employee(s) accepting the offer shall be notified by the Company when and where to report to work. Failure to notify the Company as specified in the notice or to report for work, if so notified, shall result in the employee’s termination unless the employee presents an excuse acceptable to the Company. The priority for recall is established in Article 49, FORCE ADJUSTMENTS.

a) In the event an employee on layoff status is not recalled within eighteen (18) months from the date of his/her layoff, the employment status of such employee shall be considered terminated.
b) However, if an employee is recalled under this provision and the reporting location to which he/she is recalled is more than thirty-five (35) miles from the reporting location from which he/she was originally laid off, he/she may accept the recall and transfer/reclassify to the new job or he/she may decline the new job and remain on layoff status as though the offer had not been made.

c) Any other provision of this Agreement notwithstanding, an employee being recalled may be recalled to a job in his/her family of skills and to other vacancies of higher rated jobs, if qualified.

d) In no event would the employee's layoff status exceed eighteen (18) months as contained herein.

e) No employee shall receive progression increases while on layoff. Upon recall or re-employment, the employee will be placed on the appropriate step on the wage scale in accordance with Article 29, TRANSFERS, Section 29.03, or Article 30, PROMOTIONS AND JOB BIDDING, Section 30.05 and 30.06, or Article 44, WAGES, Section 44.02, as appropriate, retaining all time earned toward the next step.

f) An employee's seniority shall continue during any part of this eighteen (18) months layoff or extension described in 7.05 a) above.

7.06 If an employee is recalled to a classification, exchange or location other than the one where he/she was permanently located before layoff and/or being bumped, such employee shall be given a priority consideration, by seniority, upon written request, to return to his/her original classification and/or reporting location, if qualified. The priority for return is established in Article 49, FORCE ADJUSTMENTS.

7.07 All employees who are transferred to jobs outside the bargaining units represented by the Union shall not retain and accumulate seniority.

7.08 A supervisory employee, who because of bona-fide illness verified by a physician and disclosed fully to the Union, is returned to a job within the bargaining unit may be placed in the same or similar job held prior to becoming a Supervisor, with full seniority retained and accumulated since most recent date of hire; provided, however, nothing herein shall cause a member of the
bargaining unit to forfeit his/her current position, location or layoff status because of said compassionate return.

7.09 An employee promoted, reclassified or transferred to a new job will be considered the junior employee in the particular work group to which he/she is promoted, reclassified or transferred for purposes of scheduling preference until the employee becomes qualified after date of entry into the new job.

7.10 Employees entering the bargaining unit from another IBEW or CWA unit within the Company that offers reciprocal seniority recognition will have their bargaining unit seniority bridged at 100% immediately. The Company will provide the Union with a list of CenturyLink reciprocal language and effective dates for other CWA/IBEW units.

7.11 Effective September 1, 2008, seniority for new employees hired on the same day will be determined by using the last four digits of the employees’ social security numbers with the higher number being more senior.

ARTICLE 8

8.03 Any regular full-time employee or regular part-time employee shall be excused from his/her regular duties on any day he/she is required to serve on jury duty, or as a subpoenaed witness (unless as a plaintiff), provided appropriate proof of such requirement is provided to the Company within a reasonable period of time prior to any such service. Accordingly, the employee will receive their regular straight-time pay in addition to the jury duty or witness pay.

8.04 In order to be eligible for this benefit, employees who are dismissed from jury duty or witness duty with one-half (1/2) or more of their tour remaining shall report to work for the remainder of their tour. Hours on such duty on days not scheduled to be worked will not be paid by the Company. Employees are requested to work full-time when not actually required to perform services as specified above. Employees whose regular weekly work schedules are inconsistent with the normal hours of the court or grand jury involved, and who serve on a jury or who perform services in a governmental election or appear as a subpoenaed witness shall be permitted to reschedule their work in order to receive the benefits under this Article notwithstanding the provisions of Article 7, SENIORITY, and Article 19, SCHEDULES. The subpoenaed employee will notify his/her Supervisor immediately upon being served with a subpoena.

ARTICLE 9

Administrative/Personal leaves may only be requested for an absence of five (5) consecutive workdays or more and shall be limited to a cumulative total of thirty (30) calendar days in any rolling twelve (12) month period. Any extension beyond thirty (30) calendar days requires additional approvals from the Company. An employee must have a minimum of 6 months service to be eligible for an Administrative/Personal Leave. All available Vacation/Personal Holiday hours must be exhausted prior to going into unpaid status while on Administrative/Personal Leave.
9.02 **Family and Medical Leave**

The parties recognize the applicability of the federal Family and Medical Leave Act, and the Union recognizes the Company’s right to establish FMLA policies and rules which are consistent with that law and/or any applicable state law as well as any express provision of this Agreement. These benefits are described and administered in accordance with the Company Policy.

9.03 **Disability Leave**

This includes all on-and off-the-job illnesses and injuries. Except as otherwise allowed by law, disability leaves will be administered in accordance with the Company Policy. 9.04 **General Rules Governing Leaves**

The following rules shall apply to all leaves:

days at any one (1) time and not more than one hundred twenty
(120) days in any one (1) calendar year. If possible, any
employee desiring such leaves of absences shall notify his/her
immediate Supervisor at least ten (10) calendar days prior to

this Article shall be the same as that of other employees
excused from duty for good and compelling reasons. Leaves
of absence under this Section will be granted to an extent
commensurate with the Company's service obligations.

10.02 Employees whose Union duties require their absence for
periods in excess of those covered in the preceding Section
may be granted a leave of absence, without pay, for periods not
to exceed a total of nine (9) years, provided, however, that such
employee will only accumulate his/her seniority for a six (6) year

such leaves of absences at any one (1) time.

Request for such leaves of absence shall be made by the

any such request. Employees granted a leave of absence

whether he/she will return to work at the expiration of his/her
leave of absence.

An employee granted absence for such training shall be paid, up to a maximum of two (2) calendar weeks, a sum which, when added to the payment received for such military training, shall equal straight-time pay which the employee would have earned for the same two (2) weeks, provided he/she furnishes the Company written proof from his/her commanding officer of such time spent in training and the payment received for such military training. Such payment will be made but once in any calendar year.

11.02 The parties agree to follow the Veteran's Re-employment Rights, Chapter 43 of Part III of Title 38, U.S. Code, in connection with the re-employment rights of veterans.

11.03 Employees whose regular weekly work schedules are inconsistent with the normal hours of military training shall be permitted to reschedule their work and off days.

ARTICLE 12
OVERTIME

12.01 Overtime and Sunday Payments

The overtime rate is one and one-half (1.5) times the basic hourly rate of pay and is paid under the following conditions:

(a) All hours worked after an employee has worked 8 hours at the basic hourly rate of pay in a workday.
(b) All hours worked after an employee has worked 40 hours at the basic rate of pay in a workweek.

(c) All hours worked on Sundays.

(d) All call-out hours worked and those call-out hours not worked which make up the minimum requirement threshold listed in Article 13.

The following hours will be considered as hours worked and will count toward the daily and weekly overtime calculation described in (a) and (b) above:

- Scheduled vacation/personal holiday.

- First 8 hours worked or not worked on a recognized holiday.

- First 8 hours worked on a scheduled Sunday. (Note: Sunday must be part of the regular posted schedule).

- Paid union time off for joint meetings with the Company.

The following hours will not count toward the daily and weekly overtime calculation described in (a) and (b) above:

- Bereavement, Jury Duty, Witness Duty, Short-term Disability (STD), Workers Compensation, Military, unscheduled vacation/personal holiday, and any other paid time off not listed above.

- Any non-paid time off, including non-paid union time.

- Any call-out hours (worked or those call-out hours not worked which make up the minimum requirement threshold).

- Any hours worked over 8 in a workday or 40 in a workweek already paid at the overtime rate.

12.02 The Company and Union recognizes the need to improve the administration of overtime and agree to a joint committee to track and review overtime issues. It was further agreed that overtime hours connected to regular work schedules will not be
accumulated and used for equalizing overtime during the life of the labor agreement. Instead the Company will utilize current mechanized processes to track actual connecting overtime hours worked. A report will be prepared by work group and reviewed on a quarterly basis by a committee consisting of two Union representatives (designated by the CWA Representative), the Human Resources designee and a member of Management. The purpose of the committee is to encourage fairness, simplification and easier administration of overtime.

12.04 Nothing in this Article shall be construed to limit the Company’s right to use the minimum number of skills necessary to accomplish the overtime work, or to require employees to work overtime based on service requirements.

ARTICLE 13
CALL-OUT PAY

13.01 When an employee is on call-out, he/she shall be paid for a minimum of two (2) hours at the overtime rate. Call-out pay is started from the time the employee reports to work, and will continue until his/her work assignment is completed.

Due to technological improvements, employees may be able to handle and resolve a call-out from home that does not require travel to the report center or to the customer location. In this situation, the employee will be paid a minimum of one (1) hour at the employee’s overtime rate of pay, to resolve the problem at home. If the time worked exceeds one (1) hour, then the actual time worked to resolve the problem will be paid at the overtime rate.

13.02 An employee shall not be paid any call-out pay if he/she refuses to accept and perform the work assigned to him/her.

13.03 If an employee is called out more than once within a two (2) hour period in relation to the same trouble, it will be treated as one (1) call-out period.

13.04 When the employee’s next scheduled work tour connects with the call-out, the overtime rate shall terminate at the beginning of the employee’s regular tour and there shall be two (2) hours minimum guarantee; however, the minimum guarantee shall
only be one (1) hour if the employee/s is on Company premises when requested to work under this Article.

ARTICLE 14
HEALTH, SAFETY AND APPEARANCE

14.01 The maintenance of proper health and sanitary conditions, and the observance of all laws relating to fire protection and safety, are of mutual concern to both the Company and the Union.

14.02 Each employee has a primary responsibility to observe practices of cleanliness, neat dress and good appearance.

14.03 The Company will reimburse employees up to $100 annually or a maximum of $300 over the life of the agreement effective January 1, 2018, upon presentation of receipts, towards the purchase or repair of safety footwear for those employees in positions which are required under OSHA regulations to wear such footwear. Any additional expense will be the responsibility of the employee.

b) The Company will determine what is considered acceptable safety footwear with respect to appearance and functionality.

c) The employee may select the vendor.

d) Safety footwear for this purpose must meet the current ANSI Z41.1 Class 75 safety requirements.

a) The Company will make the determination of which employee classifications will be required to wear safety glasses.

b) Prescription safety glasses for this purpose must meet current OSHA and ANSI recommendations.
c) The Company reserves the right to determine the frames to be used and which vendor(s) may be utilized for the provisioning of prescription safety glasses.

d) Employees are responsible for the cost of eye examinations. The Company will pay for one pair of replacement lenses per year for prescription changes, all repairs to glasses, and up to $20 for fitting fees.

e) The Company will pay for one pair of one prescription or bifocal prescription safety glasses once every two years unless the glasses are broken during the course of an employee’s work beyond repair for reasons other than neglect.

ARTICLE 15
INCLEMENT WEATHER

15.01 Except in service emergencies, employees will not be required to work outside when, in the opinion of the Supervisor, they are unable to safely perform their regular work due to inclement weather.

15.02 Good judgment will be used by the Supervisor in implementing this Article.

ARTICLE 16
TOOLS

16.01 Tools required by employees in the performance of their duties will be furnished by the Company. All tools so furnished will remain the property of the Company and will be returned to the Company when employment terminates.

16.02 Employees who have been or who are furnished tools by the Company will initial for receipt of same and will be held responsible for the proper use, maintenance and care of such tools, and will pay for tools which are damaged or lost through negligence of the employee, ordinary wear, tear, and use excepted. The cost of tools stolen, damaged, or lost, as a result of improper care or negligence on the part of the employee will be billed to the employee at a reasonable replacement charge.

16.03 Subject to Section 16.02, tools lost or damaged will be replaced by the Company within a reasonable time.
16.04 The Company will pay the difference between the regular driver's license and special driver's license required by the Department of Transportation beginning with the first pay period following ratification.

ARTICLE 17
RELIEF AND LUNCH PERIOD

17.01 A paid relief period of fifteen (15) minutes, paid for as time worked, will be granted each employee as near the middle of each work session as is practical, but in no event shall an employee be assigned to start such relief period less than one (1) hour from the beginning and end of each session, unless a service emergency develops, and no employee will be required to work more than two and one-half (2 1/2) hours on a regular session without relief, unless a service emergency develops.

17.02 The lunch periods of all employees shall not be a part of the work day and shall not be paid for, except where scheduling requires that employees eat on the job in which case a reasonable lunch period, with pay, shall be allowed. The length of the lunch period may be thirty (30) minutes, one (1) hour, or some other length, to be determined at the sole discretion of the Company.

17.03 Employees held over after completing their regular tours, shall be entitled to one (1) paid relief period of fifteen (15) minutes after, but not before, completing two (2) hours of overtime work. Employees on call-out, or employees working overtime prior to their regular shift, shall be entitled to one (1) paid relief period of fifteen (15) minutes after, but not before, completing two (2) hours of actual call-out or overtime work.

17.04 In cases of overtime connecting work, when an employee requests time off for a relief or meal period not otherwise allowed herein, such request may be granted, without pay for time spent, if practicable in view of the nature or expected duration of the overtime work, and there shall be no meal allowance.

17.05 Employees shall not depart from their work stations until the relief or meal period has started and must return to their work stations by the stopping time of said relief or meal period. Company vehicles will not be used in such instances, except when incidental with route of travel or in a few isolated locations.
17.06 Relief and meal periods may be staggered on an individual basis as governed by service requirements.

17.07 It is mutually agreed that abuse of relief or lunch period privileges by any employee is proper cause for discipline.

ARTICLE 18
WORK JURISDICTION

18.01 The Company recognizes the right of its employees to perform its work, and will make every reasonable effort to plan its work to accomplish this end.

18.02 The Company agrees that in its employment of contract labor forces to assist in the carrying out of its programs of construction, installation, removal, maintenance or repair of telephone plant: (1) it will not employ contract labor where such employment causes a reduction in the normal forty (40) hour workweek of bargaining unit employees; (2) it will not employ contract labor where such employment causes the layoff of any regular employee; (3) it will not employ hourly contract labor in excess of a normal forty (40) hour workweek, except in case of adverse service conditions, such as, but not limited to, natural catastrophes, accidents, and major equipment failures.

18.03 Company employees who are excluded from the bargaining unit will not perform the work of employees covered by this Agreement, except in the case of service emergencies, and for the purpose of giving or receiving training. Overtime work shall not be performed by supervisory personnel until such overtime assignments have been offered to, and excused for, bargaining unit employees who normally perform the work involved in the overtime assignments.

18.04 The parties recognize that there are overlapping functions between engineering, professional employees and personnel in the engineering bargaining unit.

18.05 The parties recognize, however, that there are special circumstances and/or rare occasions when excluded personnel may be appropriately used on work otherwise performed by employees covered by this Agreement.
ARTICLE 19
SCHEDULES

19.01 Work schedules for all employees for the succeeding calendar week shall be posted by noon on Thursday of the current week. Such schedules will show the reporting location, the tours for the succeeding week, including the starting and ending time of such tours, and the time allotted for meal periods. In the event it becomes necessary to schedule an employee to work more than five (5) tours in a calendar week, the sixth day scheduled shall be designated the overtime day.

19.02 The Company agrees to assign full-time and part-time work schedules in accordance with the preference of the full or part-time employees in the order of seniority in their work group, insofar as service requirements permit, provided they are qualified and able to perform the job. However, employees entering the work group subsequent to the selection of work schedules shall be assigned work schedules by the Company until the next regular selection of tours, except as provided in Article 7, SENIORITY, Section 7.09.

19.03 The Company will make a reasonable effort to contact employees on the seniority list, in the order listed, for the purpose of obtaining preferences for choice of tours. Since such contacts, and the assignment to basic tours or to the relief force, will be made in the order of seniority, the time consumed in attempting to contact each employee will be necessarily limited. Accordingly, it is contemplated that employees will express in advance assignments they prefer if they will not be readily available for such contact. Changes shall not be made in any assignment after an assignment is made to the next person on the seniority list.

Employees on vacation, employees on leave of absence who are expected to return on or before the effective date of the schedule, employees absent from the town of their residence and employees whom the Company was unsuccessful in its efforts to contact, unless they have expressed in advance their preference for a different available tour or an assignment to the relief force, shall be given assignments identical with their present assignment, if available, otherwise, such employees' schedules shall be assigned by the Company.

19.04 Insofar as service requirements will permit, holiday assignments, excluding employee's Personal Holidays, shall be rotated except Christmas Day will be rotated separately.
19.05 By mutual agreement between the immediate Supervisor and
the employee or employees involved, tours, schedules and
days off may be exchanged.

19.06 To reduce administrative work, where no changes are required
in a posted schedule, it shall be considered as the current
weekly schedule under this Article.

the parties. The cost of providing, installing, maintaining and
relocating such bulletin boards will be paid by the Union, but not
to exceed thirty-five dollars ($35.00) for each bulletin board
installation or relocation. The bulletin boards shall be

the following notices: (a) Union matters; (b) recreational and
social affairs of the Union; (c) nomination and election of Union

specified on the notice. Unsigned notices or bulletins may not

20.04 A copy of every bulletin board notice posted shall be sent by the

c) When traveling via any commercial carrier, employees may be paid for up to eight (8) hours per day. In no case will employees be paid overtime as a result of travel delays.

ARTICLE 22
NON-DISCRIMINATION

22.01 The Company and the Union agree that they will not discriminate against any employee because of race, creed, color, religion, sex, age, national origin or disability.

22.02 The use of the masculine or feminine gender in this Agreement shall be construed as including both genders and not as a sex limitation unless there is a bona fide occupational qualification which dictates the gender.
22.03 The Company agrees not to discriminate against, interfere with, restrain or coerce employees because of membership or lawful activity in the Union. The Union agrees not to discriminate against, interfere with, intimidate, restrain or otherwise coerce any employee because of non-membership in the Union, or for the purpose of inducing such employee to become a member of the Union.

22.04 Complaints alleging discrimination against an individual because of his/her race, creed, color, religion, sex, age, national origin or disability will be subject to the grievance and arbitration procedure of this Collective Bargaining Agreement.

22.05 The Company and the Union will comply with the Americans with Disabilities Act to ensure fair and equitable treatment of applicants and employees with disabilities. The parties herein, will further ensure that reasonable accommodations are afforded to disabled applicants and employees on a case by case basis.

ARTICLE 23
NEW AND MODIFIED JOB TITLES

23.01 New Job Titles

Whenever the Company determines it appropriate to create a new job title in the bargaining unit, it shall be handled as follows:

The Company shall notify the Union in writing at least fourteen (14) calendar days before the new job title is implemented, and shall provide the Union with a summary of the duties and the proposed wage rate or wage schedule.

The Union shall have the right, within fourteen (14) calendar days from receipt of the notice from the Company, to request negotiations concerning the initial wage rate or schedule. If the Union does not initiate such negotiations the matter shall be considered closed for the duration of the contract. If the Union initiates such negotiations, and the parties are unable to reach agreement within thirty (30) calendar days, either party may request arbitration using the Arbitration Procedure below. Failure to do so shall resolve the dispute on the basis of the Company’s last proposal.
The Company shall have the right to implement its proposal while the negotiation and arbitration process is proceeding, but an arbitrator may award a retroactive wage adjustment if deemed appropriate.

23.02 Modified Job Titles

First, the parties agree that routine changes to operational procedures, equipment, and systems occur on a regular basis as a result of improvements in technology, processes, etc., and often change how job responsibilities are performed. These are not considered modifications to the job and do not require notice or bargaining with the Union. Any dispute about whether a change in procedures, equipment, or systems is routine and has minimal (in contrast to a substantial) impact must be brought by the Union within fourteen (14) calendar days of the date of the change using the Arbitration Procedure below.

Whenever the Company determines it appropriate to make a substantial change in the nature and scope of the work employees in an existing job title have historically performed, it shall be handled as follows:

The Company shall notify the Union in writing at least fourteen (14) calendar days before the changes are implemented, and shall provide the Union with a summary of the modified duties and any proposed changes in the wage rate or wage schedule, if a wage adjustment is deemed appropriate by the Company.

The Union shall have the right, within fourteen (14) calendar days from receipt of the notice from the Company, to request negotiations concerning the proposed wage rate or wage schedule. If the Union does not initiate such negotiations the matter shall be considered closed for the duration of the contract. If the Union initiates such negotiations, and the parties are unable to reach agreement within thirty (30) calendar days, either party may request arbitration using the Arbitration Procedure below. Failure to do so shall resolve the dispute on the basis of the Company’s last proposal.

The Company shall have the right to implement its proposal while the negotiation and arbitration process is proceeding, but an arbitrator may award a retroactive wage adjustment if deemed appropriate.
23.03 Arbitration Procedure for Disputes Over New and Modified Job Titles

Although the Company may create a new job title or modify the nature and scope of existing job titles, without bargaining, the effects of such actions shall be subject to final and binding arbitration according to this procedure.

If the dispute is whether the modifications in job duties or responsibilities of an existing job title have substantially changed the nature and scope of the work, the arbitrator may resolve that dispute. If the arbitrator finds that a substantial change has occurred, the issue of the appropriate wage rate or wage schedule shall be returned to the parties for negotiation.

If the parties are unable to resolve the issue of the appropriate wage rate or wage schedule for either a new job title or a modified job title as described above, the parties shall select an arbitrator following the procedure in Article 4, Arbitration. The parties further agree that within thirty (30) calendar days after selection of the arbitrator each party will submit its final offer position on the wage schedule to an arbitrator, copying the other party. These final offer positions may thereafter be changed only with mutual agreement of the parties. Notwithstanding the limitations on an arbitrator’s authority under Article 4, an arbitrator selected under this procedure shall have the authority to choose between the two final offers, and may also award retroactive wage adjustments. The decision of the arbitrator shall be final and binding.

23.05 Employee Training/Retraining

When technological change requires additional knowledge and/or skill on the part of the employees in the same work location and same classification, a sufficient number of employees in that location and classification will be given the opportunity to acquire the necessary knowledge and skill. The Company will determine the number of employees needed for the training and will make every effort to offer such training by seniority.

23.06 The Company and union recognize the value of training to increase employee skills in order to compete in an ever-changing business environment. The parties agree to work
together to promote educational programs to bargaining unit employees to include, where possible, programs like CWA/NETT. Training associated with CWA/NETT or similar training is voluntary and taken on the employees own time. Costs associated with this training must adhere to the Company's tuition reimbursement policy.

ARTICLE 24
MOVING EXPENSES

24.01 When an employee moves his/her permanent residence as the result of a change in reporting location and the change in the reporting location is the result of one of the situations described in this Section and the distance from the original reporting location to the new reporting location is at least thirty-five (35) miles, then the employee shall receive the benefits described in this Article.

   a) An employee on layoff status is recalled to a vacancy which he/she is qualified to perform.

   b) An employee is identified as surplus and elects to fill a vacancy, which he/she is qualified to perform, in another work group as provided for in Article 29, TRANSFERS, Section 29.01.

24.02 The employee shall receive, in addition to his/her regular pay, reimbursement for his/her actual costs of transportation, meals and lodging for himself/herself while relocating. He/she shall be reimbursed for actual costs of transportation, meals and lodging for members of his/her immediate family while they are enroute to the new residence. Said employee shall also be reimbursed for his/her reasonable actual costs incurred in moving household furnishings, upon presentation of receipted bill for such, provided said bill is supported by estimates from at least two (2) professional household moving companies, and the move occurs within three (3) months from date of transfer, or as may be extended at the Company's sole discretion. Such employee shall be allowed reasonable time off, without loss of regular pay, to arrange for and move his/her household furnishings. Expenses incurred from relocation at the employee's request are not reimbursable.

24.03 When an employee moves his/her permanent residence as the result of a change in reporting location and the change in reporting location is the result of one of the situations described in Section 24.01 (A) or (B) and the distance from the original
reporting location to the new reporting location is less than thirty-five (35) miles, then the employee shall be allowed two (2) days off, without loss of regular pay, to move. To be eligible for benefits under this Section, the move must occur within three (3) months from date of transfer, or as may be extended at the Company's sole discretion.

24.04 Relocation Expenses - Mid-Atlantic Region

Effective August 24, 1993, regular, full-time bargaining employees will be eligible for reimbursement of certain relocation expenses. The expenses must be the result of a Company initiated and approved transfer to a new work location. The commute from the new work location must be at least thirty-five (35) miles further (one (1) way) from the employee's old residence than the old residence was from his/her former place of work. The employee shall receive, in addition to his/her regular pay, reimbursement for his/her actual costs of transportation, meals and lodging for himself/herself while relocating. He/she shall be reimbursed for actual costs of transportation, meals and lodging for members of his/her immediate family while they are enroute to the new residence. Said employee shall also be reimbursed for his/her household furnishings, upon presentation of receipted bills for such, provided said bill is supported by estimates from at least two (2) professional household moving companies, and the move occurs within three (3) months from date of transfer, or as may be extended at the Company's sole discretion. Employee will also be reimbursed actual costs associated with service connection charges for utilities, including telephone and cable TV; appliance connection/disconnection (not to exceed two hundred dollars ($200.00)) for stove, refrigerator, washing machine, dryer, and window air conditioner units; and maid service (not to exceed thirty dollars ($30.00)) at either location, upon presentation of receipted bills. Relocation under this Article will also cover up to thirty (30) days storage for household furnishings if required and supported by receipted bill. Expenses incurred from relocation at the employee's request are not reimbursable.

ARTICLE 25
MANAGEMENT RIGHTS

25.01 It is understood and agreed that the Company has all customary and usual rights, functions, and authority of management.
25.02 Except as may be modified or restricted by the terms of this Agreement or by applicable labor laws, the Company shall have the exclusive right to: direct and supervise the Company’s plant and business operations and policies; close or liquidate operations or facilities or combination of facilities or to move such operations or facilities; to install new, or to discard wholly or in part, old methods, procedures, materials, equipment, plant and facilities or standards; establish hours of work and schedules; hire, transfer, and promote; demote, suspend, discharge and discipline for proper cause; assign, modify or change work duties or requirements, layoff for lack of work or other proper reason; expand or contract work schedules; contract out work, and establish and maintain reasonable rules for safe and efficient operations.

25.03 It is further understood and agreed that all rights heretofore exercised by, or inherent in the Company, not modified or restricted by the terms of this Agreement, are retained solely by the Company.

ARTICLE 26
LOCKOUTS AND STRIKES

26.01 During the term of this Agreement, Union and its agents, representatives and officers, and all employees who are covered by this Agreement, as individuals and as a group, will not authorize, cause, assist, participate, acquiesce in, or encourage any strike, work stoppage, sick-out, slowdown, picketing, or any similar disruption or restriction of work on, in or at any of the Company’s premises. The Company will not use any provisions of this Article to supply employees covered by the Agreement to areas served by another Company Union in the event of a strike by that Union.

This specifically includes “sympathy” strikes and the observance of picket lines, signs, or appeals from any labor organization engaged in any such activities, except in situations where an employee has a good faith objective belief of bodily harm in which event they will immediately notify management. However nothing in this Section shall prevent the union from engaging in picketing or other publicity for purposes of truthfully advising the public of any contract disputes unless an effect of the activity is to induce any employee or other person to cease rendering or providing services to the Company.

During the term of this Agreement, the Company will not cause or engage in any lockout of its employees.
26.02 In the event any of the above occurs, the Union and its officers will do everything within their power to end or avert the same. Any employee engaging in any activity in violation of this Section may be subject to disciplinary action, including discharge, and the only issue reviewable through the grievance procedure will be whether the employee in fact violated its provisions.

ARTICLE 27
HOURS OF WORK

27.01 Eight (8) hours of time on duty shall constitute a normal tour of work, except where ten (10) hour day schedules exist as indicated in this Article.

27.02 Five (5) tours shall constitute the normal workweek, except where ten (10) hour day schedules exist. Assignments of daily tours shall be between the hours of 12:01 A.M., Sunday, to 12:00 Midnight the following Saturday. A tour is a part of the workday on which such tour begins. Any connecting time which follows a tour is part of the workday on which the tour begins, even though such connecting time continues until the beginning of a subsequent tour.

27.03 Service conditions permitting, the Company may post a compressed work week consisting of ten (10) hour work days scheduled over a consecutive four (4) day work week. In no circumstances will the Company force an employee to accept four (4) day ten (10) hour work schedule.

a) Vacation days will generally be based on scheduled hours. Single days of vacation taken within a workweek will equal (ten) 10 hours per day. An entire week (or segment) of vacation will be based on five (5) eight (8) hour days.

b) Sick time will be based on the employee’s schedule for that period of time. Employees scheduled for eight (8) hours will be paid (based on available benefits) eight (8) hours per day. Employees absent due to illness who are scheduled for ten (10) hours will be paid ten (10) hours per day provided they are eligible for short-term disability benefits.

c) Employees will receive eight (8) hours of pay for personal and/or company recognized national holidays. Weeks which include any holiday will be worked as five (5) eight (8) hour days.
d) Employees scheduled for ten (10) hour days shall be paid at the overtime rate for all time worked in any one (1) day in excess of ten (10) hours, or for any time worked in a calendar workweek in excess of forty (40) hours.

e) Employees scheduled for ten (10) hour days may have their schedules changed to eight (8) hour days due to training requirements or other unforeseen operational needs with no penalty incurred by the Company.

27.04 This Article is intended to define the normal hours of work and is not construed as a guarantee of hours of work per day or per week.

27.05 If an employee is unable to work, he/she shall do everything within reason to notify his/her reporting Supervisor prior to the beginning of his/her tour. The Company shall be entitled to require proof (not necessarily a doctor’s report) to substantiate illness or other reasonable cause for absence.

27.06 Nothing herein shall be construed as requiring additional payments in the event of tour changes resulting from the exercise of tour preferences, job bidding or temporary assignment.

27.07 When an employee is working a tour and the time is changed due to Daylight Savings Time which reduces the tour by one (1) hour, they shall be paid as if they had worked a normal tour. When the time is changed which adds an hour to their tour, they will be paid at the appropriate rate for the additional hour worked.

ARTICLE 28
TEMPORARY ASSIGNMENTS

28.01 A regular employee assigned to the work of a higher or lower classification who works on that job for two (2) accumulated hours on any one (1) day shall be paid the rate of the higher classification for the duration of the temporary assignment. The rate shall be defined as the lowest rated interval which gives the employee an increase for an employee who has not held the higher classification. An employee who has been reclassified/displaced to a lower rated position, and had previously held the job classification of the temporary assignment, shall be placed at the step on the scale he/she held at the time of reclassification/displacement. Intra-company temporary assignments of more than five (5) consecutive days shall be
offered in order of seniority to qualified employees within the work group from which the temporary assignment is made.

28.02 A regular employee temporarily assigned under this Article to the work of a lower rated job shall receive the rate of pay applicable to his/her regular job.

28.03 Nothing herein shall be construed as preventing the Company from making temporary assignments of its employees to jobs outside the bargaining unit or to jobs within sister companies, provided if service requirements permit, the temporary assignment will be offered to qualified employees in their order of seniority.

28.04 Intra-company temporary assignments shall not exceed six (6) calendar months within the district and thirty (30) calendar days outside the district, for a particular assignment, unless otherwise mutually agreed.

ARTICLE 29
TRANSFERS

29.01 a) In the event it becomes necessary, as determined by the Company, to reduce the work force in a work group, the senior employee/s in the affected work group shall be offered their preference in the order of seniority, the opportunity to transfer/reclassify to any available vacancy among Union represented employees within Local 3871, providing, he/she is qualified.

In the event no one accepts or a sufficient number to relieve the surplus has not accepted, then the surplus will be handled by transferring/reclassifying qualified employees in inverse order of seniority after first offering to junior employees in seniority order where no promotion is involved.

If the new principal exchange is over thirty-five (35) miles from the original principal exchange, then the employee is not required to accept the transfer/reclassification.

b) If an employee is transferred/reclassified under provisions of this Section the employee may request, in writing:

1. to return to his/her original classification and/or reporting location. This paragraph takes precedence over Article 7, SENIORITY, Section 7.08.
c) If after all surplus qualified employees have had the opportunity to fill the vacancy(ies), and it still has not been filled, the Company shall offer the vacancy(ies) to other surplus employees who are able and fit. Should vacancy(ies) still be available they shall be offered in accordance with Article 49.04. The employee must satisfactorily complete the probationary period as outlined in Article 30, PROMOTIONS AND JOB BIDDING, Section 30.04, if appropriate.

If an employee is recalled under this provision and the reporting location to which he/she is recalled is more than thirty-five (35) miles from the reporting location from which he/she was originally laid off, he/she may accept the recall or he/she may decline the new job and remain on layoff status as though the offer had not been made.

Notification of recall and related time limits shall be the same as in Article 7, SENIORITY, Section 7.05.

d) If the employee declines the opportunity to transfer/reclassify as described above, the provisions of Article 7, SENIORITY, Section 7.04 may be followed.

29.02 In the event an employee is reclassified to a lower rated job, he/she shall be paid the rate of that classification in the following manner:

a) If the employee has previously held the lower rated job his/her rate of pay shall be the highest rated step of the lower scale which gives him/her a decrease.

b) If the employee has not previously held the lower rated job his/her rate of pay shall be the highest rated step of the lower scale which gives him/her a decrease, less one (1) additional step.

In both situations above, the employee shall retain all time in his/her old scale step, and thereafter shall progress according to regular steps of said lower rated scale.

29.03 Employees requesting, and being permitted, to permanently transfer shall be placed in the new job within twenty (20) calendar days after final approval, but excluding employees who are required to transfer, shall not be eligible to transfer, bid or request another transfer for a period of twelve (12) months.
from the date thereof, except for impelling reasons, or reasons otherwise beneficial to the operation of the Company. Should the Company waive the twelve (12) month bid/transfer restriction for an employee, the Company will then likewise waive the restriction for all employees interested in that particular vacancy.

29.04 Any employee who accepts a transfer/reclassification to a different job location shall be considered on probation during a trial period up to six (6) months from the date of transfer/reclassification. During this time, the employee will receive training commensurate with the new job/location responsibilities that must be satisfactorily completed. If he/she does not pass such requirements, or is otherwise determined to be unqualified, he/she will be returned to his/her old location, if available, otherwise to a job commensurate with his/her ability, with preferential consideration for any subsequent vacancy in his/her former job location, provided such vacancy exists.

29.05 The priorities for utilizing Article 29, Sections 29.01 and 29.02 are established in Article 49, FORCE ADJUSTMENTS.

ARTICLE 30
PROMOTIONS AND JOB BIDDING

30.01 Job vacancies within the bargaining unit shall be filled through the bidding procedure as outlined below. The priority for utilizing this Article is established in Article 49, FORCE ADJUSTMENTS.

Prior to the job vacancy language below, the Company will utilize the Location Placement Process first:

Location Placement Process – Employees seeking to change work locations without changing their job title, may submit a request in writing to the receiving second level manager, with a copy to Human Resources and the Local Union office.

When the company determines an opportunity becomes available at a work location, management will review the requests of interested employees. Vacancies will be filled on the basis of qualifications first and then if qualifications are substantially equal as determined by the Company, selections will be made based upon bargaining unit seniority.
1. Transfer location bids shall expire December 31st of each calendar year. Employees interested in being considered for a location transfer must submit a new transfer request on or after December 31 of each calendar year. New lists will be effective on a calendar year basis (beginning January 1, 2018) and it is the employee’s responsibility to notify the company of their interest or their name will be removed from the list.

2. If an opportunity to change work locations is offered to the employee, the employee must accept the offer. If the employee refuses, then the employee cannot apply for another work location change for a period of one (1) year. If the employee accepts the offer, the employee must remain in the new work location for a period of one (1) year and is restricted from changing work locations during this time period. However, the employee will not be restricted from bidding on another title as outlined in Article 30.

Once all location movements are complete the process will revert to the job posting procedure outlined below.

Notices of all job vacancies will be posted in a manner determined by the company. Such notice shall include the title and location of the job, the closing date for submission of interest and the process for submitting interest. A copy of the posting will be provided to the local union president.

The posting will describe the job duties and qualifications required for the position. If an employee is selected, the job change will be effected as soon as administratively feasible.

a) The Company shall have the exclusive right to determine where and when a job vacancy exists and its determination shall be final and conclusive.

The Company will first attempt to fill the vacancy internally from those employees submitting a job bid request. However, it is understood that the Company will also consider candidates outside the bargaining unit when filling vacancies. Qualifications shall be determined by the total circumstances including work experience, performance (and any performance evaluations), applicable technical education and attendance. The Company may use
reasonable and job appropriate testing, interviews and/or other reasonable methods of determining qualifications as herein defined. The position will be filled by the most qualified candidate as determined by the Company. Seniority will govern in the event multiple internal candidates are determined to be most qualified by the Company. If no candidates are deemed qualified by the Company, the Company may elect to fill the vacancy from any available source.

30.02 The Company shall not be required to consider a bid from any employee who has been hired (except as provided in Article 35 Section 35.03), promoted, transferred or reclassified during the preceding twelve (12) months, excluding those employees who are required to transfer/reclassify in accordance with Article 7, SENIORITY, Sections 7.05 and 7.07, Article 29, TRANSFERS, Section 29.01, Article 38, PHYSICAL EXAMINATIONS, Section 38.02. However, should the Company waive the twelve (12) month restriction for “time in title” for any employee on a particular job bid, such restriction will be waived for all bidders on that particular bid or transfer.

30.03 Bids for job vacancies shall contain an outline of experience, training and other necessary qualifications which the bidding employee feels that he/she possesses and which are pertinent to the job.

If, after notice of a job vacancy has been posted, the job vacancy is withdrawn, the designated Union Representative shall be notified and all bids received shall be invalid.

30.04 An employee whose bid for a job is accepted shall be considered on probation during the trial period up to six (6) months from date of entering the new title. This period may be extended in the event of unforeseen circumstances or in the event appropriate training schools cannot be scheduled. The Company shall notify the Union when an employee’s probationary period is to be extended. During this time, the employee will receive training deemed appropriate by the Company. During the probationary period, if said employee is determined to be unqualified, he/she will be returned to his/her old job, if available, otherwise to a job in his/her old pay scale commensurate with his/her ability. Entrance in new job means the first day on the job.

30.05 An employee promoted through the bidding procedure to another scale with higher rated progressions, shall, upon
entering the new job receive the pay of the lowest rated interval of the higher scale which gives him/her an increase, retaining all time in his/her old scale interval, and thereafter shall progress according to the regular intervals of said higher rated scale.

30.06 Notwithstanding Section 30.05 above, an employee who has been reclassified to a lower rated job as a result of a force adjustment and who is subsequently promoted to any job title on the wage schedule from which he/she was displaced shall be placed on the appropriate wage step as indicated by their total wage length of service including credit for all time spent in the lower job.

ARTICLE 31
ACCIDENT AND SICKNESS BENEFITS PLAN

31.01 The Company agrees to provide STD benefits for all regular full-time employees on a non-contributory basis. Regular part-time, temporary, or occasional employees are not eligible for STD benefits. The administration of STD leaves, including the application process and timelines, eligibility rules, notice requirements, return to work rights, and modified duty programs will be governed by the CenturyLink Disability Plan (the “Plan”).

Employees qualify for STD benefits when they are participants who cannot work at their normal job due to an illness or injury incurred off the job, and satisfy the requirements as outlined in this Article but subject to the terms of the Plan which control and govern. STD benefits begin on the 8th consecutive calendar day (sixth consecutive scheduled workday) of non-occupational illness or injury for participants. Written medical certification shall be required.

Vacation/Personal Holiday hours are provided for all incidental absences from work and for the first five (5) consecutive scheduled workdays of a non-occupational disability related absence (STD waiting period). The employee must use all available Vacation/Personal Holiday hours before hours can be taken unpaid. If an employee does not have available Vacation/Personal Holiday hours, those hours for which Vacation/Personal Holiday are not available shall be non-paid.

31.02 If employment is involuntarily terminated due to reasons including, but not limited to reduction in work force, plant/office closure, etc., while the employees is receiving STD benefits under the Plan, the employee may continue to receive benefits.
until the earlier of either the Plan’s benefits are exhausted, the employee fails to comply with the Plan’s STD administrative requirements or the employee’s doctor (or the IME doctor) states and the Plan agrees that the employee can return to work. If employment is involuntarily terminated for just cause, STD benefits may be terminated immediately.

31.03 The Plan Administrator may suspend or deny STD benefits if the employee fails to submit all forms/documentation as required, fails to comply with a Company request for an IME, or fails to comply with the requirements of the STD Plan. The Plan Administrator may require such physical or other professional examinations from healthcare providers in accordance with the Americans with Disabilities Act, the Family and Medical Leave Act and/or any other applicable law or regulations as well as when an employee is claiming benefits or privileges under the Plan. The requirement for additional medical or other examinations shall include, but not be limited to, independent medical examinations for confirm a disability, circumstances in which an employee seeks disability or family leave and applies for or is receiving any benefits financed by the Plan; and “fitness for duty” examinations.

31.04 STD benefits under the Plan may be paid up to a maximum of twenty-six (26) weeks. The amount of pay (partial or full pay benefits) is a percentage of “base rate pay”. Base rate pay for the purpose of determining the appropriate STD benefit will be based on the basic rate of pay. Base rate does not include incentive compensation, overtime, shift differential or other special payments or calculations.

a) For employees hired, re-hired or transferred into this bargaining unit before 1/1/19, the STD benefit under the Plan is either sixty percent (60%) or one hundred percent (100%) of the base rate. The percentage paid is based on the length of service with the Company. An employee’s service anniversary date determines the benefit payment schedule as identified in the chart below. The following STD benefit payment schedule is based on completed years of service as determined by the employee’s service anniversary date.

b) A higher level of benefits does not take place if an employment anniversary occurs while receiving benefits or if the employment anniversary occurs before the employee returns to work for one hundred eighty two (182) consecutive days after any STD benefit usage.
For employees hired, re-hired, or transferred into this bargaining unit on or after 1/1/19, the STD benefit under the Plan is seventy percent (70%) of the base rate. The following STD benefit payment schedule is based on completed years of service as determined by the employee’s service anniversary date.

c) STD benefits under the Plan cease on the earlier of when a) the employee is released by their provider, and supported by the Plan, to return to work, b) the employee fails to comply with the Plan’s STD administrative requirements, or c) the Plan’s benefits as described in this Article have been exhausted.

31.05 If you return to work for less than 182 calendar days following an STD absence, your previous STD benefits will be considered in determining the amount and maximum period of benefits. In other words, you will continue on the STD Benefit Payment Schedule described above based on your service at the first time you became entitled to Plan benefits.
If you return to work for at least 182 calendar days following at STD absence, your previous STD benefits under the Plan will not be considered in determining the amount and maximum period of benefits. In other words, you will be eligible for the full benefit described above for any STD absence.

31.06 Worker’s Compensation

The Company will provide all Worker’s Compensation benefits required by statute to an employee who sustains an on-the-job injury.

For employees hired, re-hired, or transferred into this bargaining unit before 1/1/19, the Company will provide an employee a salary continuation benefit (called Workers’ Compensation Supplemental Pay or WCSP) equal to 85% of basic rate of pay when combined with an approved Worker’s Compensation claim and statutory payment. For employees hired, re-hired, or transferred into this bargaining unit on or after 1/1/19, the Company will provide an employee a salary continuation benefit (called Workers’ Compensation Supplemental Pay or WCSP) equal to 70% of basic rate of pay when combined with an approved Worker’s Compensation claim and statutory payment. The salary continuation benefit is available up to a maximum of 180 calendar days (1040 hours) for a single disability beginning on the first day of approved absence. If the disability extends beyond 180 days, the employee may be eligible for Long Term Disability (LTD). If approved for LTD, the employees' Worker’s Compensation benefit will be deducted from the employee’s LTD benefit as an approved offset.

An employee is never entitled to more than 85% of basic rate of pay while absent due to an on-the-job injury unless otherwise required by state Workers Compensation laws. Any overpayments made by receiving both WCSP salary continuation and Worker’s Compensation benefits in excess of 85% of basic rate of pay will be deducted from the employee's salary continuation check, regular pay check, or are to be reimbursed by the employee to the Company.

WCSP payments of salary continuation benefits will be in accordance with the CenturyLink Disability Plan (the “Plan”) and shall cease upon the earlier of a) an employee’s retirement, b) discharge for just cause, or c) when employment would otherwise terminate because of reduction in force.
Social Security disability benefits and benefits under the Plan are also coordinated. You receive the maximum benefits available under this Plan and Social Security, but not the total sum of both benefits. Your Plan benefits will be limited such that the sum of your Plan benefits and your Social Security disability benefits will not exceed 100% of your Base Salary, unless otherwise required by Social Security laws.

31.07 Overpayments occur when the employee is paid more STD benefits than they are entitled to receive. The Company will recover overpayments by offsets against future payments or any other method permitted by applicable law.

a) In certain circumstances the Company can recover from other parties for the STD benefits paid. When the Company has these “subrogation rights”, the employee must do anything the Company reasonably asks to protect these rights and help the Company recover from the other party.

* During the first calendar year of employment employees are not eligible for vacation pay.

The vacation year which shall be used in computing the amount of paid time off shall be from January 1st through December 31st of each year in which this Agreement continues in effect, except that in the anniversary year of 1, 5, 10, 15, 20 and 25 years the employee earns vacation at the higher rate for the entire year.

43.03 Regular part-time employees scheduled for 20 to 30 hours per week are eligible for one-half (1/2) of the vacation time that a full-time employee with the same length of service is entitled to. Vacation time for employees changed from part-time to full-time, or full-time to part-time, is determined on a prorated basis for the time worked in the respective status during the year.

43.04 Employees are encouraged to schedule and take all vacation within the calendar year. However, due to business or other needs, an employee may not be able to take all of his or her vacation time in the current year. In these instances, up to 40 hours of vacation will be automatically carried over for use by December 31 of the following year. This includes employees on Short Term Disability and/or Worker’s Compensation. Any carryover hours not used by December 31 will be forfeited.
Employees may not receive pay in lieu of vacation, except in situations where vacation is cancelled or postponed as described in this article.

43.05 Vacations, in accordance with the provisions of the preceding Section, may be taken at any time, subject to service requirements, during the calendar year in which the applicable qualifying period set out above concludes. Vacations shall be scheduled for five (5) consecutive days and will be restricted to no greater than three (3) consecutive weeks unless the employee validates the need for greater usage. Vacations should be scheduled to begin on the first working day of the week. If after selecting a vacation period, the employee requests to change the vacation selection and management approves the change, the vacated week or weeks will be offered according to 44.10 or 44.11. There will be no trading of vacation periods.

Employees eligible for two (2) weeks’ vacation will be permitted to take one (1) week of their vacation a day at a time, half (1/2) day at a time, or in increments as small as two (2) hours at a time, service needs permitting. Employees eligible for three (3) weeks' vacation will be permitted to take two (2) weeks of their vacation a day at a time, half (1/2) day at a time, or in increments as small as two (2) hours at a time, service needs permitting. Employees eligible for four (4) or more weeks of vacation will be permitted to take three (3) weeks of their vacation a day at a time, half (1/2) day at a time, or in increments as small as two (2) hours at a time, service needs permitting with the following restrictions:

The following restrictions apply to both day at a time and half (1/2) day vacations as well as to vacations taken in increments as small as two (2) hours at a time.

a) Vacations on a day at a time basis may be taken on any day within a calendar month mutually agreeable to the employee and his/her Supervisor, provided a minimum of five (5) days advance notice of the day selected is given to his/her Supervisor.

b) Employees must notify and receive approval by their Supervisor at least five (5) days prior to changing a day of vacation. The Supervisor may waive this requirement. Employees may be granted a day's vacation under special circumstances without regard to time limits as provided in Section 1 above, with prior approval of their Supervisor.
c) A day of vacation may be scheduled in conjunction with a holiday if, in the opinion of the Supervisor, service requirements permit.

d) In selection of day at a time vacation, weeks vacations shall have precedence over day at a time selection.

e) The desire to select day at a time vacation option must be indicated by the employee at the time the vacation schedule for a given work group is established.

f) In selection of day at a time vacations, employees must first select their entire vacation on a weekly basis and then indicate the week(s) that will be taken on a day at a time basis. Employees may then select vacation days, one (1) or more, in accordance with the above listed restrictions. Any remaining portion of the day at a time vacation must be taken during the week scheduled unless such remaining portion is rescheduled in accordance with the above listed restrictions.

43.06 The selection of vacation time shall be based upon seniority in each work group/s (upon mutual consent by the parties). An individual employee may exercise his/her seniority with respect to vacation periods only at the time the vacation schedule for a given work group/s is established. If the vacation period is to be split, seniority may be exercised only on the first segment until all employees in the work group have made their selection. Thereafter, an employee may exercise his/her seniority with respect to the second segment of his/her vacation as outlined above, and the same procedure shall be adhered to with respect to any additional vacation segments.

43.07 The Company will post on or about October 1st of the preceding year, a vacation schedule showing the number of employees in each work group/s who can be off during the vacation period, together with the vacation allowance for which each is eligible.

43.08 Employees will utilize the automated vacation scheduling tool to schedule vacations and the Company will make a reasonable effort to contact employees, in the order of their seniority, so that they may choose a vacation period from those available. Employees not making a selection at the time of contact and employees whom the Company was unable to contact after a reasonable effort to do so, shall be passed over but shall have the right to make a selection from the remaining available vacation periods in accordance with their seniority at any
subsequent time prior to January 1st. Except by mutual agreement, vacation periods for employees failing to meet this requirement shall be assigned by the Company.

a) A segment of vacation is a continuous period of vacation with no work time between the beginning and end of such vacation period. Service conditions permitting and under normal circumstances as determined by the Company, a vacation segment will be viewed to extend from the Sunday preceding the beginning of vacation through the Saturday following the vacation.

43.09 Vacations, if not taken, shall not be allowed to accumulate. Once scheduled, vacation periods may not be changed except by mutual agreement between the Company and the individual employee.

43.10 Upon completion of vacation selections as provided in 43.06 herein, if a vacation period becomes vacant or available, an employee otherwise eligible for vacation at this time may fill said vacation period in the order of seniority by request made in writing to the immediate Supervisor no later than noon Monday prior to the first week of the vacation year, however, no earlier than December 15th.

A written request may be made for full week segments, full days or half (1/2) days. Full week requests shall supersede requests for full or half (1/2) days.

43.11 After January 1st of the vacation year, requests for available vacation days, half (1/2) days, two hours or weeks shall be on a first come, first serve basis, after the consideration of requests as outlined in 43.06. Full week requests shall supersede requests for full, half (1/2) days or two (2) hours.

43.12 An employee returning from layoff shall not be eligible for a vacation period until he/she has been on the active payroll for six (6) months.

43.13 Vacation/personal holiday hours are provided for all incidental absences from work and for the first five (5) consecutive scheduled workdays of a non-occupational disability related absence. The employee must use all available vacation/personal holiday hours before hours can be taken unpaid, except in situations where FMLA-covered absences to care for covered relatives will exceed five days. In those cases only, the employee will have the
opportunity to elect whether to take vacation/personal holiday hours or an unpaid absence. In all other situations, the employee will not have the opportunity to choose. If an employee does not have available vacation/personal holiday hours, those hours for which vacation/personal holiday hours are not available shall be non-paid.

The approval of vacation/personal holiday time (both scheduled and unscheduled) is solely at the company’s discretion based on operational needs of the business.

Scheduled vacation/personal holiday are those hours requested by the employee and approved by management. Scheduled vacation/personal holiday hours are included as part of the standard work week for overtime purposes.

Unscheduled vacation/personal holiday are those hours requested by the employee and not approved by management. Unscheduled vacation/personal holiday taken by an employee for pay purposes only shall result in an employee receiving an occurrence against their attendance according to the attendance policy. Unscheduled vacation/personal holiday hours are not included as part of the standard work week for overtime purposes.

When service requirements do not permit, an employee may be required to postpone or even cancel any portion of their scheduled vacation for the current year. In the event that cancellation by the Company of scheduled vacation is necessary and no alternate date is agreed upon, the employee will be given the choice of carrying a maximum of 40 hours over to the next calendar year, or being paid the equivalent of the scheduled vacation time that was cancelled within the next pay period.

43.14 Vacation when Leaving Service

All earned vacation hours that are unused will be paid out at termination or upon retirement, except when an employee is terminated for just cause or resigns during an investigation into their misconduct. In the event of the death of an employee, all unused earned vacation time shall be paid to the estate.

If an employee’s termination date is between December 26 and December 31, the employee will be entitled to receive
pay for the full amount of vacation hours which would have otherwise been earned and taken during the next calendar year. Employees that terminate prior to December 26, for any reason other than retirement, will not be eligible for any payment of any vacation which is being earned in the current year and to be taken during the next calendar year.

A retiring employee will earn vacation during the calendar year in which they retire on a pro-rated basis for full months of service. This will be paid to the employee at the time of retirement. For example, an employee that retires on May 1 will receive pay for 4/12 of their vacation allotment.

Should any vacation pay be due the employee, the Company shall have the right to deduct from said pay any money owed the Company by the employee, including costs or expense incurred due to loss of, destruction of, or damage to Company property and/or equipment.

ARTICLE 44
WAGES

44.01 Wages for employees covered by this Agreement have been mutually agreed to by the parties hereto and are set forth in wage schedules, attached hereto as Appendix A, which indicate the normal progression intervals and basic wage rates for each successive six (6) month step.

44.02 When employing new employees, the Company may take into consideration their previous training, employment and experience in establishing their starting rates; provided, however, that this Section shall not be applied to deny promotional opportunities to regular, qualified employees.

44.03 The parties agree to cooperate to implement all wage and benefit increases as soon as possible and to the extent allowed under law, in view of applicable legislation, Executive Orders, and regulations dealing with wage-price stabilization.

44.04 The Company agrees to grant scheduled wage increases specified in their appropriate schedules in accordance with the time intervals and amounts provided in such schedules, subject to the following conditions:

(1) Wage progression increases will be effective based on the service anniversary date for active, full time employees and
based on date last given for part time employees after the employee has worked 1040 hours.

(2) Wage increases will be effective the first day of the pay period closest to the effective date of the increase.

ARTICLE 45
DIFFERENTIAL PAYMENTS

45.01 Employees temporarily acting in the capacity of work leader shall be paid, in addition to their base rate, a differential of one dollar and fifty cents ($1.50) per hour for all hours worked in such capacity. Employees temporarily acting in the capacity of Company school instructor shall be paid, in addition to their base rate, a differential of fifteen cents ($0.15) per hour for all hours worked in such capacity.

The opportunity for Work Leader assignments will be rotated among qualified employees on a voluntary basis per employee requests and operational availability. Should there not be any volunteers; the Company would retain its right to assign Work Leader duties. The determination of qualifications required for Work Leader assignments will be at the Company's discretion. Employees serving in a Work Leader capacity as noted above will receive differential pay in accordance with Article 45.01.

45.02 Employees working scheduled hours which start or end between the hours of 7:00 P.M. and 7:00 A.M. shall be paid a premium of two dollars ($2.00) per hour effective for the life of the agreement.

   a) Employees working scheduled tours, which begin or end between the hours of 7:00 P.M. and 7:00 A.M., who are required to work connecting overtime, shall receive differential pay during such connecting overtime hours.

   b) In addition, any employee working hours identified as overtime hours, will receive differential additives for all hours worked, that fall between 7:00 P.M. and 7:00 A.M.

ARTICLE 46
CONDUCT OF UNION AFFAIRS

46.01 The Union and its agents or employees will not engage in any Union activities during the working time of employees except during the employees' relief and lunch periods.
46.02 The National Representative of the Union, subject to prior permission from the Company (Employee Relations Specialist), shall be permitted to enter the premises of the Company, but shall not interfere with the normal work duties of employees or the operation of the Company.

46.03 Each Union officer or grievance representative shall be afforded time off, without pay, as may be required to assist any employee under the grievance procedure of this Agreement, on matters which cannot reasonably be delayed until non-working hours, or to adjust grievances with the Company, except as provided in Article 3, GRIEVANCE PROCEDURE, Section 3.07. All requests for time off in Article 46 will be excused to an extent commensurate with the Company’s service requirements.

46.04 Employees whose Union duties require them to be off to conduct Union business other than grievance related matters as covered in Section 46.03 and for periods of time less than those covered under UNION LEAVE OF ABSENCE, Article 10, shall request in writing within five (5) calendar days or with as much advance notice as possible. The written request will specify the time and duration of the absence. Absences of this nature will be excused to an extent commensurate with the Company's service requirements, but in no event will more than two (2) employees within any given work group be excused at the same time.

46.05 The President of the Local shall be excused for Union activity as deemed necessary based on the above requirements and the total time off will not exceed 85 days in a calendar year. Any period of continuous absence of more than six (6) months shall be governed by Article 10, Section 10.02, UNION LEAVES OF ABSENCE. The Executive Vice-President shall be excused for union activity up to a maximum of 13 days per year and the Secretary/Treasurer of the Local shall be excused for union activity up to a maximum of 12 days per year.

ARTICLE 47
TELEPHONE CONCESSIONS

47.01 Subject to Company policy, regular employees (full and part-time) with six (6) or more months of service are eligible for the Company's telephone concession plan on the same basis as non-represented employees.
It is recognized that the Company has the exclusive right to amend, modify wholly or in part this plan as long as the changes are made on the same basis as non-represented employees.

ARTICLE 48
SUPPLEMENTAL INCOME PROTECTION PLAN (SIPP)

48.01 Supplemental Income Protection Plan (SIPP)

A. If during the term of this Agreement, the Company determines that there is a need to adjust the workforce, after written notice is first provided to the Union, the Company may at its sole discretion elect to offer employees the opportunity, in the order of seniority, to voluntarily leave the service of the Company and receive Supplemental Income Protection benefits as described below subject to the following conditions:

1. The Company in its sole discretion may offer SIPP to all employees in the bargaining unit or only to employees in certain job titles and work areas. The Company will determine the period during which the employee may, if he/she so elects, leave the service of the Company pursuant to this Article. Neither such determinations by the Company nor any other part of this Section shall be subject to arbitration.

2. An employee's election to leave the service of the Company and receive Supplemental Income Protection benefits must be in writing and transmitted to the Company within fourteen (14) calendar days from the date the Company makes the formal offer notification in order to be effective and such election may only be revoked within such fourteen (14) day period. After the 14 day period has expired, the Company will determine the number of employees that can be granted the offer, as well as their job titles and locations. The Company will confer with the Union regarding this determination, however, the Company will make the final determination and will communicate this decision in writing to the Union and affected employees.

3. Employees who elect to receive benefits under the provisions of this Section shall not be entitled to other severance pay benefits or other benefits which may be provided to laid-off employees but shall be entitled to receive those benefits applicable to retirees, if the
employee elects to retire. No employee shall be required to retire in order to receive Supplemental Income Protection Plan payments.

4. If an employee voluntarily accepts SIPP and is out or should go out on Short Term Disability, the Short Term Disability would end on the scheduled last day worked for SIPP designation regardless of the anticipated release date by the physician.

B. Supplemental Income Protection payments for employees who so elect to leave the service of the Company in accordance with this Section begin within one month after such employee has left the service of the Company.

C. The amount of Supplemental Income Protection benefits payable shall in no event exceed a total of $25,200. Employees may elect to receive the total benefits in either a lump sum, or in 12 month, or 24 month, or 36 month, or 48 month equal payments.

D. The Company shall at its sole discretion have the right to offer an enhanced payment over and above the provisions set forth herein if it deems appropriate. In the event the Company decides to offer an enhanced payment, the Company shall communicate its intentions and the details of the enhancement to the Union prior to extending any offer to employees.

E. Payments hereunder shall cease upon the employment of a recipient by the Company or any affiliated or subsidiary companies. Employees who elect a lump sum payment, and who are employed as noted above before a period of 12 months from the date of original separation, will be required to return to the Company a prorated portion of the original lump sum payment through a payment plan agreeable to both the Company and the employee. Full payment, however, must be made in six months or less.

F. In the event of the death of a recipient of Supplemental Income Protection payments before all of the monthly payments to which he is entitled have been made, the remaining amount shall be paid to the individual's estate.
ARTICLE 49
FORCE ADJUSTMENTS

49.01 This Article will define the method by which the Contract applies to misdistributions, vacancy(s), and surplus situations.

a) Once the appropriate Section of this Article has been identified, then utilize the procedures, in the sequence listed, until either the employees are redistributed or the vacancy(ies) are filled, or the surplus(es) relieved, as appropriate.

b) The Company shall make every reasonable attempt to provide as much advance notice as possible, but in no event less than two (2) weeks' notice, in writing, to the Union and the Local, prior to announcing a surplus.

49.02 MISDISTRIBUTION

The Company shall make every reasonable attempt to provide at least one (1) weeks' notice, in writing, to the Local President prior to announcing a misdistribution.

a) Article 29, Section 29.01 (a)

Offer the job as provided in this paragraph to senior qualified employee(s). If necessary, force transfer/reclassify the junior qualified employee(s).

49.03 VACANCY(S) WITH SURPLUS

When the Company elects to fill a vacancy(s) and surplus exists, Articles of the Agreement will be utilized in the following order:

a) Article 29, Section 29.01 (b)(1) and Article 7, Section 7.06

Honor Super Seniority transfer request of qualified employee(s) to return to their original classification and/or original reporting location.

b) Article 29, Section 29.01 (c)

Offer the job as provided in this paragraph to surplus senior qualified employee(s). If necessary, force transfer/reclassify the junior qualified employee(s).
c) Article 29, Section 29.01 (c)

Offer the job as provided in this paragraph to senior able and fit employee(s).

d) Article 29, Section 29.01 (d)

If surplus employee(s) does not fill vacancy, he/she shall be laid off in accordance with Article 7, Section 7.04.

If the vacancy has still not been filled, then go to Section 49.04 and begin using the priorities starting with (a).

49.04 VACANCY(IES) WITHOUT SURPLUS

When the Company elects to fill a vacancy(ies), Articles of the Agreement will be utilized in the following order:

a) Honor Super Seniority transfer request of qualified employees to return to their original classification and/or reporting location;

b) Group together the following employees for available vacancies and fill the vacancy using the principle of qualifications and fitness being substantially equal, then seniority shall prevail:

1. Disabled employees for whom the position may be considered a reasonable accommodation;

2. Article 30 regular bidders;

3. Qualified employees desiring to return from leave of absence; and

4. Qualified employee desiring to be recalled from layoff.

c) Group together the following employees if vacancies are still available and fill the vacancy using the principle of qualifications and fitness being substantially equal, then seniority shall prevail:

1. Recall from layoff an able and fit employee
2. Return from leave of absence of an able and fit employee
d) If a vacancy has not been filled by any previous procedures, then the job may be filled at the discretion of the Company from any available source.

49.05 SURPLUS WITHOUT VACANCY

a) Article 7, Section 7.04

Employee(s) identified as surplus shall be laid off from the affected work group in accordance with the above Article and Section.

49.06 SUPER SENIORITY

Super Seniority is a method of transfer available for an employee who has been displaced, laid off, or in a surplus situation. This provides the mobility for the employee to go back to a classification (job title) and location where he/she has been previously. An employee eligible for Super Seniority may have two (2) of these requests on file in Human Resources.

These would take the place of their regular transfer requests. In order for the transfer requests to be valid, they must be on file in Human Resources at the time the vacancy requested becomes available.

After an employee has been granted a Super Seniority transfer request restoring his/her classification, the only other option for Super Seniority would be a transfer to the same classification and previous location. If an employee is granted a Super Seniority transfer request to his/her original location in a different classification, then they would be allowed a Super Seniority transfer request to their previously held classification in that location.

At the point in time an employee is offered the opportunity to be restored to the first (original) classification and location from which they were involuntarily moved, their right to a Super Seniority transfer request no longer exists.

ARTICLE 50 RETIREMENT SAVINGS PLAN

The Company has adopted the CenturyLink Union 401(k) Plan (the “401(k) Plan”) and agrees to include employees covered by this Agreement as members of such 401(k) Plan, as soon as administratively feasible following ratification of this agreement, in
accordance with the Savings Agreement as included below. In addition, the Company agrees to withhold employee contributions as provided in said Savings Agreement and to make Company contributions thereto. Said Savings Agreement shall be continued without modification for the life of this Agreement; provided, however, the Company (and for this purpose only "Company" shall include CenturyLink Corporation) retains the right to make such changes in the 401(k) Plan, in its sole discretion, as may be required to obtain a ruling from the Commissioner of Internal Revenue that the 401(k) Plan qualifies under Section 401(a) and 401(k) of the Internal Revenue Code of 1986 as amended from time to time, and that the Trust implementing the 401(k) Plan is exempt from taxation under Section 501(a) of said Code, to satisfy any applicable state or federal statute, regulation, ruling, court decision or other law applicable to said 401(k) Plan, or to administer said 401(k) Plan in an orderly and efficient manner. Any such action taken by the Company in its sole discretion with respect to the 401(k) Plan shall apply to all similarly situated employees of the Company in a uniform manner. The Company agrees to notify the Union of any such action.

Section 1. CenturyLink Union 401(k) Plan

The Company agrees to provide a means for employees to save for their retirement on a tax-preferred basis through the CenturyLink Union 401(k) Plan (the "401(k) Plan"). Employee and Company Contributions to said 401(k) Plan are specified in this Agreement. All terms defined in the 401(k) Plan shall have the meaning specified therein unless the context of this Savings Plan Agreement clearly indicates otherwise.

Participation shall be in accordance with Article 2, Participation, of the 401(k) Plan.

Section 2. Employee Contributions

a) Each participant shall be allowed to contribute on a bi-weekly basis up to an amount equal to eighty percent (80%) of the Participant’s wage. Such bi-weekly wage deductions shall be in increments of one percent (1%) and shall be contributed to the Participant’s account. The participant may contribute on a pre-tax, after-tax, Roth basis or any combination.

b) Catch-Up Contributions shall continue to be allowed as defined in the Plan document. Such bi-weekly wage deductions shall be in increments of one percent (1%) and shall be contributed to the Participant’s account. The Participant may contribute on a pre-tax, Roth basis or combination.
A Participant’s “wage” means base pay and approved incentives earned during a payroll period and shall not include overtime pay, shift differential pay, severance pay or any other extra pay or compensation.

Section 3. Company Contributions

a) For employees hired, re-hired, or transferred into CWA 3871 before July 1, 2015, the Company shall contribute a Company Matching Contribution equal to twenty-five percent (25%) of the Participant’s Contribution, up to a maximum of six percent (6%) of eligible wage.

b. For employees hired, re-hired, or transferred into CWA 3871 on or after July 1, 2015, the Company may contribute a Company Matching Contribution in accordance with the same matching contribution formula under the CenturyLink Dollars & Sense 401(k) Plan for Non-Bargaining Employees as soon as administratively feasible.

ARTICLE 51
STAND-BY

51.01 Should the Company determine stand-by coverage to be necessary, the Company will first attempt to satisfy stand-by coverage needs through qualified volunteers. In the event there is a sufficient number of qualified volunteers, the Company will not mandate any further stand-by duty assignments. In the event there is an insufficient number of qualified volunteers, the Company may then require employees to serve on stand-by.

51.02 Stand-by will be rotated among all qualified employees in a geographic area as defined by the Company, on a seniority basis. No employee will be required to serve on stand-by duty for more than one week in each three (3) week period. Employees may volunteer for stand-by duty on a more frequent basis or may trade weeks of stand-by. During the period of stand-by, the employee will be available to take all calls and report to a job site as needed.

51.03 Employees who are designated for stand-by will be utilized in any company location where he/she is qualified to perform the work and must participate in the Home Garage Program during the stand-by period. For example, a technician with a Johnson City reporting location may be on stand-by for other areas depending upon where the need arises and the equipment involved. Additionally, employees may be required to diagnose problems which are outside the area of their responsibility.
51.04 The “Stand-by Technician” will be contacted by telephone and will be available to respond to the trouble within an hour. “Stand-by Technicians” will also be available within one (1) hour for non-connecting call-outs. **If called upon to respond for any exchange or work location outside of the responding technician’s regular home exchange/work location, response time will be two (2) hours.**

51.05 During periods of stand-by, the employee may be assigned a vehicle for business purposes only. If assigned a vehicle, the vehicle must be kept at the employee’s place of residence and parked off the public street when possible. If the vehicle cannot be kept at the employee’s place of residence due to an ordinance or other regulation, it may be parked at the nearest Company-approved location(s). Employees on stand-by are responsible for ensuring Company vehicles are properly maintained. The Company will pay for all required vehicle maintenance.

51.06 Travel time (for the stand-by program) between an employee’s residence and the work center, or between the employee’s first/last work assignment, will be paid at the appropriate rates. This is true whether or not the employee is in a company vehicle.

51.07 It is the responsibility of all technicians on call-out to report completion of a case of trouble. This will clear the technician for additional call-outs in the system, and allow the customer to be given a status of trouble report if required.

51.08 The technicians will be paid a differential of one (1) hour per day (straight time) on weekdays and two (2) hours per day (straight time) on weekends and holidays. **This payment is not considered as time worked and does not count towards the computation of daily or weekly overtime.** This payment will be in addition to any call-out pay the technician may earn.

51.09 The stand-by period can be for a normal five (5) day work week, and/or two (2) day weekend or Holiday. Occasional stand-by periods for other lengths of time may be required under unusual, special circumstances or upon service requirements. The assignment of stand-by periods will be at the discretion of the Company.
ARTICLE 52
TERM OF AGREEMENT

52.01 This Agreement shall become effective at 12:01 A.M., on the 1st day of October 2017, and shall remain in full force and effect to and including 12:00 Midnight on the 30th of September, 2020, and shall continue in full force and effect from year to year thereafter unless either party to this Agreement desires to change or modify any of the terms or provisions of this Agreement, or terminate the same; provided, however, that the party desiring any such action, modification, or termination, must notify the other party of this Agreement in writing of its desire or intention not less than sixty (60) days prior to the expiration date of this Agreement, or not less than sixty (60) days prior to any subsequent anniversary date thereafter. Should either party to this Agreement serve such notice upon the other, a joint conference of the Company and the Union shall commence negotiations upon such desired change or modification not later than thirty (30) days prior to the expiration date in the year in which the notice is given.

ARTICLE 53
UNIFORM PROGRAM

53.01 Effective January 1, 2012, the Company will provide at its discretion either an appropriate number of uniform garments (as determined solely by the Company) or an annual credit for the purchase of approved garments through the Company authorized vendor to employees in those classifications which the Company deems appropriate. New hires in those classifications may receive additional uniform garments or a higher initial credit. The color, style, and material blend of employee work clothing will be determined by the Company for both uniform and non-uniform garments.

Employees will be required to wear uniform and non-uniform garments that are, in the Company’s judgment, properly maintained and presentable. The wearing of uniforms will be mandatory during all work hours. Regular and all appropriate maintenance of an employee's uniform is the responsibility of the employee.

A pin, not to exceed 1 ½ inches in diameter designating affiliation with the CWA and not derogatory of the Company or its personnel, may be worn with the uniform. This pin may be worn only on the uniform shirt and may not cover the Company logo.
The Company retains the right to modify, alter, change or delete the uniform program at its discretion. If the Company intends to delete the Uniform program, the Company will provide the Union with 60 days advance notification to discuss the deletion of the program prior to implementation.

**ARTICLE 54
INCENTIVES**

54.01 At the sole discretion of the Company, employee recognition and/or incentive programs to honor exemplary performance, achievement of objectives, meritorious events, community service, etc., by employees, may be unilaterally developed, implemented, modified or deleted. Such programs may include, but not be limited to, cash payments, bonuses, or commissions and may be, at the individual and/or group level. The Company will notify the Union in advance of any newly developed, modified or expired recognition or incentive programs, however, both parties mutually agree to the above mentioned unilateral Company right. If and to the extent that any such recognition programs, incentive programs, individual bonuses, or commissions may be awarded, such award shall not constitute a binding precedent or practice with respect to any future recognition programs, incentive programs, individual bonuses, or commissions.

It is agreed and understood that all employees may be required to make referrals of company products and services and perform informal sales work as part of their normal job duties as it relates to the incentive plan. The Company has the right to establish sales incentive and promotional programs to stimulate sales of its products and services and will notify the Union prior to the implementation of any new program.
WITNESS the signatures of the parties hereto, by their duly authorized representatives, to this Agreement in duplicate, this the 1st day of October 2017.

MEMORANDUM OF AGREEMENT

Between United Telephone – Southeast
And
Communications Workers of America, Local 3871

Temporary Assignment

In an effort to meet temporary staffing requirements and to minimize the need for contractors, the Company and the Union agree that the Company will have the right to supplement the work force within the jurisdiction of the Union with other Company employees under the conditions outlined below:

Short-Term Temporary Assignments

The Company will have the right to make short-term temporary assignments not to exceed ten (10) working days resulting from the following:

1. Unscheduled absences.
2. Skill and training requirements.
3. Abnormal, nonrecurring workloads (such as weather conditions, PBX installations, unusually high service order or trouble activity).
4. Special projects (such as pay station conversions, inventories, etc.).

Should conditions warrant, the above may be extended for an additional ten (10) working days upon notification to the Union.

Long-Term Temporary Assignments

Where temporary assignment needs are in excess of twenty (20) working days, the Company shall first offer such temporary work to qualified employees who are represented by the Union who are on layoff.

If those employees who are on layoff refuse such temporary work, the Company will have the right to assign other Company employees for a period not to exceed ninety (90) calendar days to perform such work.
These long-term temporary assignments shall be limited to supplementing the existing work force to provide on-site training in digital offices, to perform pre-cutover activities, and installation of central office equipment.

This Memorandum of Understanding shall not be used to eliminate or erode bargaining unit positions in the Union.

Should other situations occur that are not covered above, the Parties shall discuss and handle each occurrence individually. It is also understood that the Memorandum of Understanding shall not be used for recurring routine assignments. The Company shall provide a notice to the Union of any such assignment prior to the effective day of the assignment.

This Memorandum of Understanding shall be effective upon the date of agreement and shall remain in effect indefinitely, unless either party gives the other party sixty (60) days written notice to cancel, revise or modify part of the agreement. In the event agreement is not reached within sixty (60) days after such notice of cancellation, the Memorandum of Understanding shall be terminated.
