

More Political Fights!

Right-to-Work (for Less)

We are currently fighting against corporate attempts to push right-to-work (for less) legislation and anti-worker efforts in states where corporate-backed governors have launched an all-out-assault on workers' unions.

Kicking Out Bad Democrats

For far too long we have seen politicians in both parties ignore the needs of working families. In recent years, many Democrats have taken our union's support for granted, only to turn around and offshore our jobs or cut our pensions. We will no longer accept this. CWA is now using the Political Action Fund in contested primaries to actively support and elect pro-worker candidates willing to fight – not just talk and pay lip-service – to working people, in place of politicians who have sided with Wall Street instead of working families.
